InfoSend Service Agreement

This Agreement entered into as of _____ in Anaheim, California, by and between **InfoSend, Inc.** having its main office at 4240 E. La Palma Ave, Anaheim, California 92807 and **City of Imperial,** "Client" having its main office at: 420 S. Imperial Ave. Imperial, CA 92251. InfoSend's primary phone number is (714) 993-2690.

Section 1. Term of Agreement

The "Initial Term" of this Agreement shall be a period of thirty-six (36) months. Subsequent "Renewal Periods" equal in duration to the Initial Term shall automatically commence upon the expiration of any term (Initial Term or Renewal Period) unless either party shall, at least 60 days prior to the end of the Initial Term or subsequent Renewal Period, give 60 days written notice of termination, via certified mail.

This Agreement automatically terminates any prior contracts, terms or agreements previously executed between InfoSend and Client to cover the services contained in this Agreement, unless specifically referenced herein.

Section 2. InfoSend Services

Subject to the terms and conditions of this Agreement, InfoSend will provide to Client, and Client will purchase from InfoSend, the services listed in Exhibit A ("Scope of Primary Services") to this Agreement for the pricing set forth in Exhibit B ("InfoSend Fees"). In the event Client requires other consulting, installation, development and/or customization services, InfoSend shall perform and Client shall purchase such services in accordance with the provisions of Exhibit C ("Professional Services") of this Agreement.

Section 3. Termination

This Agreement and any future amendments to the Agreement may be terminated for cause as follows:

- (a) If either party breaches any material term or condition of this Agreement, other than for Client's failure to pay and other than a failure to perform due to the causes described in Section 8, "Force Majeure," and fails either to substantially cure breach within thirty (30) days after receiving written notice specifying the breach, or, for those breaches which cannot reasonably be cured within thirty (30) days, to promptly commence curing such breach and thereafter proceed with all due diligence to substantially cure such breach, then the party not in breach may, by giving written notice to the breaching party, terminate this Agreement in its entirety, or as it pertains to a particular Product, Deliverable, Service or Professional Service, as of a date specified in such notice of termination. All of the obligations of the parties contained in this Agreement, except for Client's obligation to pay fees, shall be deemed to have been performed in an acceptable manner unless the party not in breach provides the breaching party with written notice as stated above within sixty (60) days of the event giving rise to the breach.
- (b) If Client fails to pay when due any payables owed hereunder within thirty (30) days of receiving written notice of such failure to pay thereof, InfoSend may, at InfoSend's option, terminate this Agreement in its entirety or only as it pertains to a particular Product, Deliverable, Service or Professional Service, by giving written notice to Client, as of a date specified in such termination notice.
- (c) In the event that either party hereto becomes or is declared insolvent or bankrupt, is the subject of any proceedings related to its liquidation, insolvency or for the appointment of a receiver or

similar officer for it, makes an assignment for the benefit of all or substantially all of its creditors, or enters into an agreement for the composition, extension or readjustment of all or substantially all of its obligations, then the other party hereto may, by giving written notice thereof to such party, terminate this Agreement as of the date specified in such notice of termination.

Upon termination of this Agreement or any portion hereof for any reason, all rights granted to Client under this Agreement with respect to terminated Products, Deliverables, Services and Professional Services, will cease and Client will promptly pay to InfoSend any and all charges due, including but not limited to payables that are due pursuant to this Agreement, the Discontinuance Fee set forth in Section 4 below and accrued finance charges; however, Client shall not be responsible for paying the Discontinuance Fee if this Agreement is terminated by InfoSend other than as a result of Client's breach of its obligations hereunder or is terminated by Client pursuant to Paragraph 3(a).

Section 4. Discontinuance Fee

The parties have mutually agreed upon the Fees for the Services to be provided hereunder based upon certain assumed volumes, and the Term of this Agreement. Because of the difficulty in ascertaining InfoSend's actual damages for Client's termination without cause or a termination of the Agreement due to a breach by Client prior to the expiration of the then-current Term, Client agrees that, prior to the effective date of such termination and in addition to all other payables then due and owing to InfoSend, Client will pay to InfoSend the following discontinuance fee:

The discontinuance fee is equal to two (2) months of the Client's average monthly billing for the previous 6 months of Service (excluding any postage charges and professional services fees that were invoiced in that time period).

Client shall not be required to pay the Discontinuance Fee if InfoSend terminates the Agreement pursuant to Section 3, Paragraph (a).

Section 5. Confidentiality of Information

All information and data relating to Client's business submitted by Client to InfoSend under this Agreement shall be treated as confidential by InfoSend and shall not, unless otherwise required by law, be disclosed to any third party by InfoSend without Client's written consent. InfoSend shall promptly notify Client should InfoSend be served with a summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, requests for admission, or other discovery request or court order from any third party regarding this Agreement and/or the Services performed under this Agreement.

InfoSend takes great care in both data security and human resource security. InfoSend has a Human Resources policy that requires all new employees to pass a background check performed by an outside company. All new employees must pass a drug-screening test as well. These practices will remain in place for the duration of the Agreement.

Section 6. Limitation of Liability and Indemnification

InfoSend will not be responsible for actions or omissions resulting from receiving data and/or following instructions received from Client. No damages shall be assessed against InfoSend when any delay or breach on InfoSend's part is caused by failure of Client to perform Client's responsibilities or any other reason beyond the control of InfoSend.

InfoSend is a service provider, as such; Client acknowledges that data processing involves the risk of human and machine errors that InfoSend shall not be liable for any errors, omissions, delays or losses. In no event shall InfoSend be liable for indirect, special or inconsequential damages even if InfoSend has been advised of the possibility of such potential claim, loss or damage. The foregoing limitation of

liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. Notwithstanding anything to the contrary contained herein, InfoSend shall not be responsible for delays in receipt of Client information or processing Client information because of causes beyond its reasonable control, including, without limitation, failures or limitations on the availability of third party telecommunications or other transmission facilities and Clients' failure to properly enter and/or transmit information.

Section 7. Invoicing and Payment

InfoSend will issue Monthly invoices. Invoice terms are NET 30. Should Client dispute any invoiced charges it must do so in a reasonable time frame. Disputes must be made within 3 months of the invoice date. Past due invoices are subject to a 1.5% per month finance charge.

Client acknowledges that past due invoices must be paid in a timely fashion to avoid service interruptions. The recurring nature of InfoSend's services result in a rapid rise in the Client's account balance if Client's accounts payable process is delayed. This is especially true if InfoSend is invoicing client for postage charges. It is therefore necessary for InfoSend to put service on hold if past due account balances are not paid in a timely manner. The Past Due Accounts Receivable notes and procedures are outlined below:

- InfoSend is at significant risk of financial loss if clients default on their past due debt. InfoSend's Accounts Receivable staff must therefore constantly monitor past due account balances and evaluate the risk of a client defaulting on debt if courtesy emails and finance charges do not reduce this risk. InfoSend reserves the right to reduce this risk by notifying Client's staff in writing that it must pay at least the portion of the account balance that is past due within five (5) days to avoid InfoSend's services being put on hold.
- Should a hold be instated it will immediately be removed once payment is received.
- Additionally, unpaid balances can result in cancellation of the agreement as per Section 3(b).

Section 8. Force Majeure

Neither party will be liable for any failure or delay in performing an obligation under this Agreement that is due to causes beyond its reasonable control, including, but not limited to, fire, explosion, epidemics, earthquake, lightning, failures or fluctuations in electrical power or telecommunications equipment, accidents, floods, acts of God, the elements, war, civil disturbances, acts of civil or military authorities or the public enemy, fuel or energy shortages, acts or omissions of any common carrier, strikes, labor disputes, regulatory restrictions, restraining orders or decrees of any court, changes in law or regulation or other acts of government authority, transportation stoppages or slowdowns or the inability to produce parts or materials. These causes will not excuse Client from paying accrued payables due to InfoSend through any available lawful means acceptable to InfoSend.

Section 9. Miscellaneous

The substantive laws of the state of California shall govern this Agreement. It constitutes the entire Agreement between the parties with respect to the subject matter hereof. No representations and agreements modifying or supplementing the terms of this Agreement will be valid unless in writing, signed by persons authorized to sign agreements on behalf of both parties. This Agreement is not intended to, and shall not be construed to, create or confer any right in or upon any person or entity not a party to it.

InfoSend reserves the right to increase InfoSend Fees on a yearly basis (starting with the first anniversary of the Agreement date). The Client will be notified, in writing, at least 30 days prior to such price increase. An amendment to this Agreement will not be required if the Fees are changed, unless the terms or conditions of the Agreement have changed. Postage fees can change at any time per USPS regulations and do not require an Agreement amendment.

In addition to this, if Client uses the Printing and Mailing Service, it accepts that InfoSend reserves the right to pass on any extraordinarily high increases to the cost of forms or envelopes at any time. The Client will be notified, in writing, at least 30 days prior to such price increase.

Section 2. DPPM Fees:

Should Client's actual continuous volume be less than 70% of the volume estimates Client has provided to InfoSend (listed below) then InfoSend reserves the right to invalidate the Fees listed in this Agreement. If Client has selected the Printing and Mailing Service and at any time requests that InfoSend Fees include the cost of custom Client-specific materials (either in this Agreement or since its execution), then Client understands and accepts that these materials will be purchased in bulk to achieve the lowest possible per-unit cost. Client agrees to purchase any remaining supplies of requested custom materials (normally forms or envelopes) if Client stops using InfoSend's Service for any reason. Client agrees to purchase the remaining supply of custom forms/envelopes upon Client's request to change the custom forms/envelopes before the supply has been depleted.

Section 2.2. USPS Postage Rates

Postage rates are determined by the United States Postal Service. All postage rate changes are determined directly by USPS and are independent of any InfoSend service or materials fees. In no event shall any change in the postage rates affect the InfoSend service or materials fees. The Client will be invoiced the amount of excess for overweight and foreign mail.

Section 2.3. Postage Deposit

InfoSend purchases the postage needed to mail Client documents on the day of mailing. The postage charges are later invoiced to Client based on the Client's payment terms. InfoSend requires Client to submit a postage deposit prior to the first mailing to facilitate the payment terms. This amount will remain in deposit for the duration of the Agreement. Upon Agreement expiration or termination Client must pay in full any outstanding invoices from InfoSend for payables created under this Agreement; the postage deposit will be refunded within fifteen (15) days of the date that the last open invoice is paid.

The postage deposit is subject to an annual review and may be adjusted to account for changes to Client average mailing volume or changes to USPS postage rates. There will be no more than one adjustment requested per year, if at all.

The postage deposit amount is calculated by multiplying the estimated number mail pieces per month by the current 5-Digit pre-sorted first class postage rate. The postage deposit amount due for your account is:

$$4,800 \text{ mail pieces per month} \times \$0.381 \times 2 = \$3,657.00.$$

Section 3. eBusiness Service Fees:

The eBusiness services are not quoted at this time. They can be quoted upon request and attached as an Addendum to this contract.

Exhibit C – Professional Services

Section 1. Price Escalations to InfoSend Professional Services Fees

InfoSend Professional Services Fees can be adjusted once every twelve (12) months to account for increases to the cost of providing these services. InfoSend reserves the right to increase Professional Services Fees on a yearly basis, starting with the first anniversary of the Agreement date, if needed. The Client will be notified, in writing, at least 30 days prior to such price increase. An amendment to this Agreement will not be required if the Professional Services Fees are changed, unless the terms or conditions of the Agreement have changed.

Section 2. Definition of Professional Services

InfoSend Professional Services are the technical services that are required to perform the initial setup of the InfoSend Primary Services defined in Exhibit A and the technical services required to make changes to these Primary Services after the initial setup is complete. Once any Primary Service is live and operational Professional Services will not be required unless Client requests a change or makes changes to its data file format or business rules which necessitates a change to InfoSend's system configuration or programming. Examples of InfoSend Professional Services:

- Project requirements gathering and analysis hours
- Project management and/or consulting hours
- Software development and system configuration hours related to the processing of Client's data
- Software development and system configuration hours related to document design, web portal setup, business rule configuration, or any other applicable technical services
- Application testing and deployment hours

Section 3. Professional Services Fee and Process for Approval and Payment of Fee

The current Professional Services Fee is \$175.00 per hour.

Anytime a project will incur billable Professional Services hours Client will be informed before work begins. InfoSend and Client will execute a Statement of Work for project that Client wants InfoSend to undertake. The payment terms for the project depend on the size and scope of the project. The Statement of Work can include payment terms that are different than the terms listed in this Agreement for InfoSend Fees, otherwise these terms will apply and the project fees will be invoiced upon project completion. Small projects that incur less than five (5) hours of Professional Services can be initiated without a Statement of Work if Client accepts and executes a Programming Quote for this work.

All projects that will take more than five (5) hours of Professional Services work will require both parties execute a formal Statement of Work. Depending on the nature of the work required InfoSend will provide one of the following quotation methods:

- Fixed Quote – a fixed project cost will be set. InfoSend may elect to waive this cost in some circumstances. Client understands and accepts that it must accept the terms and conditions of the Statement of Work for the project and that changes made to the project requirements, data file structure, etc. after the Statement of Work and any amendments to it have been finalized will require Client to pay for these changes on a Time and Materials basis. Client will be notified immediately if this scenario happens and given an option to keep the original project specifications to keep the fixed quote in place.

- Time and Materials quote – should it not be possible to provide a fixed quote due to the nature of a Client’s requested project then InfoSend will provide an estimated number of hours to complete the project and bill the hours on a Time and Materials basis. The Statement of Work will include the terms and conditions for these project types and Client will be invoiced weekly for the hours spent on the project.

Section 4. Initial Setup Cost: InfoSend Primary Services

The Initial Setup cost for the InfoSend Primary Services selected in Exhibit A are listed below. These costs have been provided using a Fixed Quote process, explained in Section 3 above. Client understands and agrees to these terms and to the project-specific terms and conditions that will be provided in the Statement of Work that will be created to capture Client’s specific requirements and data types.

Data Processing and Document Creation Initial Setup Fee This applies to the following services, unless client provides pre-rendered PDF files: DPPM Service,	
Project Fixed Initial Setup Cost:	\$1,500.00 raw data setup \$500.00 bill redesign
Project Summary: This project will be completed to process Client’s input data files and create the output to be used for the print or online delivery channel.	
Project Details: A requirements gathering process will be initiated to build the Statement of Work required to begin programming and system configuration. During the requirements gathering process the InfoSend and the Client will discuss: <ul style="list-style-type: none"> • Client’s custom data (if applicable). When custom data is provided by the Client a “field mapping” or “field description” document is required before project implementation can begin. This document is an absolute requirement; programming cannot be based on assumptions and all fields must be defined before programming can begin. • Document design. Client must sign-off on a document design “mockup” before programming can begin. The mockup is a visual representation of how the document will look after Client’s custom data is processed by InfoSend’s system. 	
Project Schedule: Project is estimated to take 8-12 weeks to complete. The Statement of Work will contain all client deliverables and responsibilities. Both parties agree to dedicate adequate resources to the project to complete it in the shortest amount of time possible. <p>Should Client make changes to the data file after programming has begun it must pay Professional Services Fees, on a Time and Materials basis, to cover the programming changes required to accept the new data. Should the document design be changed after the final mockup is accepted and signed off on by the Client then Professional Services Fees will apply, on a Time and Materials basis, to cover the cost of making these changes.</p> <p>Changes to the Client data file, document design, or other key specifics collected and finalized during the requirements gathering process will impact the project completion date. Changes made after the Client has executed the Statement of Work and any follow up documents can cause delays to the project completion.</p>	
Project Cost has been Subsidized: InfoSend’s internal cost to complete the project is higher than the cost quoted to Client at the top of this table. InfoSend has subsidized by factoring in years of Fees as it is confident that its quality of service will make Client want to stay with InfoSend for years beyond the Initial Term of this Agreement. Should Client cancel the project or terminate the Agreement at its convenience less than two (2) years from the Agreement date then it must pay a total of \$3,500.00 (including any Initial Setup Cost already paid) to InfoSend to cover the Initial Setup cost.
