 AGENDA ITEM**

SUBJECT: DISCUSSION/ACTION: PURCHASE OF METER READING EQUIPMENT.

1. APPROVAL TO PURCHASE METER READING EQUIPMENT FROM SENSUS TECHNOLOGIES.

DEPARTMENT INVOLVED: PUBLIC SERVICES/FINANCE

BACKGROUND/SUMMARY:

The Council approved the purchase and installation of a new water meter reading system in June of 2010. Subsequent to the installation of the product there had been numerous equipment failures and the filing of bankruptcy by the manufacturer of the equipment. Staff looked at alternative systems and Council approved moving forward with the purchase of Sensus AMI Meter Reading system/equipment in April of 2014. A portion of the equipment was purchased and installed. Staff would like to purchase the balance of the equipment to install throughout the City to complete the project. The project is listed as a Capital Improvement Project and funding source is from the 2012 Water Bonds.

FISCAL IMPACT: \$520,724.00

STAFF RECOMMENDATION: City Council approves the purchase of the equipment.
