The Bonds shall be and are limited obligations of the District and shall be payable as to the principal thereof and interest thereon and any premiums upon the redemption thereof solely from the Net Taxes and the other amounts in the Special Tax Fund (other than amounts in the Administrative Expense Account of the Special Tax Fund).

Section 2.2. Type and Nature of Bonds. Neither the faith and credit nor the taxing power of the City, the State of California, or any political subdivision thereof other than the District is pledged to the payment of the Bonds. Except for the Special Taxes, no other taxes are pledged to the payment of the Bonds. The Bonds are neither general or special obligations of the City nor general obligations of the District, but are limited obligations of the District payable solely from certain amounts deposited by the District in the Special Tax Fund (exclusive of the Administrative Expense Account), as more fully described herein. The District’s limited obligation to pay the principal of, premium, if any, and interest on the Bonds from amounts in the Special Tax Fund

(exclusive of the Administrative Expense Account) is absolute and unconditional, free of deductions and without any abatement, offset, recoupment, diminution or set-off whatsoever. No Owner of the Bonds may compel the exercise of the taxing power by the District (except as pertains to the Special Taxes) or the City or the forfeiture of any of their property. The principal of and interest on the Bonds and premiums upon the redemption thereof, if any, are not a debt of the City, the State of California or any of its political subdivisions within the meaning of any constitutional or statutory limitation or restriction. The Bonds are not a legal or equitable pledge, charge, lien, or encumbrance upon any of the District's property, or upon any of its income, receipts, revenues or assets, except the Net Taxes and other amounts in the Special Tax Fund (exclusive of the Administrative Expense Account) which are, under the terms of this Indenture and the Act, set aside for the payment of the Bonds, and interest thereon, and neither the members of the legislative body of the District or the City Council of the City nor any persons executing the Bonds, are liable personally on the Bonds, by reason of their issuance.

Notwithstanding anything to the contrary contained in this Indenture, the District shall not be required to advance any money derived from any source of income other than the Net Taxes for the payment of the interest on or the principal of the Bonds, or for the performance of any covenants contained herein. The District may, however, advance funds for any such purpose, provided that such funds are derived from a source legally available for such purpose.

Section 2.3. Equality of Bonds and Pledge of Net Taxes. Pursuant to the Act and this Indenture, in order to secure the payment of the principal of and interest on the Bonds in accordance with their terms, the provisions of this Indenture and the Act, the District hereby pledges to the Owners, and grants thereto a lien on and a security interest in, all of the Net Taxes and any other amounts held in the Special Tax Fund (exclusive of the Administrative Expense Account). Said pledge shall constitute a first lien on and security interest in such assets, which shall immediately attach to such assets and be effective, binding and enforceable against the District, its successors, purchasers of any of such assets, creditors and all others asserting rights therein, to the extent set forth in, and in accordance with, this Indenture, irrespective of whether those parties have notice of the pledge of, lien on and security interest in such assets and without the need for any physical delivery, recordation, filing or further act.

The Bonds shall be equally payable from the Net Taxes and other amounts in the Special Tax Fund (exclusive of the Administrative Expense Account), without priority for number, date of the Bonds, date of execution, or date of delivery, and the payment of the interest on and principal of the Bonds and any premiums upon the redemption thereof, shall be exclusively paid from the Net Taxes and other amounts in the Special Tax Fund (exclusive of the Administrative Expense Account), which are hereby set aside for the payment of the Bonds. Amounts in the Special Tax Fund (other than the Administrative Expense Account therein) shall constitute a trust fund held for the benefit of the Owners to be applied to the payment of the interest on and principal of the Bonds and, so long as any of the Bonds or interest thereon remain Outstanding, shall not be used for any other purpose, except as permitted by this Indenture or any Supplemental Indenture. Notwithstanding any provision contained in this Indenture to the contrary, Net Taxes deposited in the Rebate Fund and the Surplus Fund shall no longer be considered to be pledged to the Bonds, and none of the Rebate Fund, the Surplus Fund, the Costs of Issuance Fund or the Administrative Expense Account of the Special Tax Fund shall be construed as a trust fund held for the benefit of the Owners.

Nothing in this Indenture or any Supplemental Indenture shall preclude, subject to the limitations contained hereunder, the redemption prior to maturity of any Bonds subject to call and

redemption and payment of said Bonds from proceeds of refunding bonds issued under the Act as the same now exists or as hereafter amended, or under any other law of the State of California.

Section 2.4. Description of Bonds; Interest Rates. The Bonds shall be issued in fully registered form in denominations of \$5,000 or any integral multiple thereof. The Bonds shall be numbered as desired by the Trustee.

The Bonds shall be designated "CITY OF IMPERIAL COMMUNITY FACILITIES DISTRICT NO. 2004-3 (BRATTON DEVELOPMENT) SPECIAL TAX REFUNDING BONDS, SERIES 2015A". The Bonds shall be dated as of their Delivery Date and shall mature and be payable on September 1 in the years and in the aggregate principal amounts and shall be subject to and shall bear interest at the rates set forth in the table below payable on September 1, 2015 and each Interest Payment Date thereafter:

<i>Maturity Date</i> <i>(September 1)</i>	<i>Principal Amount</i>	<i>Interest Rate</i>
	\$	%

Interest shall be payable on each Bond from the date established in accordance with Section 2.5 below on each Interest Payment Date thereafter until the principal sum of that Bond has been paid; provided, however, that if at the maturity date of any Bond (or if the same is redeemable and shall be duly called for redemption, then at the date fixed for redemption) funds are available for the payment or redemption thereof in full, in accordance with the terms of this Indenture, such Bonds shall then cease to bear interest. Interest due on the Bonds shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Section 2.5. Place and Form of Payment. The Bonds shall be payable both as to principal and interest, and as to any premiums upon the redemption thereof, in lawful money of the United States of America. The principal of the Bonds and any premiums due upon the redemption thereof shall be payable upon presentation and surrender thereof at the Principal Office of the Trustee, or at the designated office of any successor Trustee. Interest on any Bond shall be payable from the Interest Payment Date next preceding the date of authentication of that Bond, unless: (i) such date of authentication is an Interest Payment Date, in which event interest shall be payable from such date of authentication; (ii) the date of authentication is after a Record Date but prior to the immediately succeeding Interest Payment Date, in which event interest shall be payable from the

Interest Payment Date immediately succeeding the date of authentication; or (iii) the date of authentication is prior to the close of business on the first Record Date occurring after the issuance of such Bond, in which event interest shall be payable from the dated date of such Bond; provided, however, that if at the time of authentication of such Bond, interest is in default, interest on that Bond shall be payable from the last Interest Payment Date to which the interest has been paid or made available for payment or, if no interest has been paid or made available for payment on that Bond, interest on that Bond shall be payable from its dated date. Interest on any Bond shall be paid to the person whose name shall appear in the Bond Register as the Owner of such Bond as of the close of business on the Record Date. Such interest shall be paid by check of the Trustee mailed by first class mail, postage prepaid, to such Bondowner at his or her address as it appears on the Bond Register. In addition, upon a request in writing received by the Trustee on or before the applicable Record Date from an Owner of \$1,000,000 or more in principal amount of the Bonds, payment shall be made on the Interest Payment Date by wire transfer in immediately available funds to an account designated by such Owner.

Section 2.6. Form of Bonds. The definitive Bonds may be printed from steel engraved or lithographic plates or may be typewritten. The Bonds and the certificate of authentication shall be substantially in the form attached hereto as Exhibit A, which form is hereby approved and adopted as the form of such Bonds and of the certificate of authentication.

Until definitive Bonds shall be prepared, the District may cause to be executed and delivered in lieu of such definitive Bonds temporary bonds in typed, printed, lithographed or engraved form and in fully registered form, subject to the same provisions, limitations and conditions as are applicable in the case of definitive Bonds, except that they may be in any denominations authorized by the District. Until exchanged for definitive Bonds, as applicable, any temporary bond shall be entitled and subject to the same benefits and provisions of this Indenture as definitive Bonds. If the District issues temporary Bonds, it shall execute and furnish definitive Bonds without unnecessary delay and thereupon any temporary Bond may be surrendered to the Trustee at its office, without expense to the Owner, in exchange for a definitive Bond of the same maturity, interest rate and principal amount in any authorized denomination. All temporary Bonds so surrendered shall be cancelled by the Trustee and shall not be reissued.

Section 2.7. Execution and Authentication. The Bonds shall be signed on behalf of the District by the manual or facsimile signature of the Mayor of the City and countersigned by the manual or facsimile signature of the City Clerk of the City, or any duly appointed deputy City Clerk, in their capacity as officers of the District. In case any one or more of the officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed have been authenticated and delivered by the Trustee (including new Bonds delivered pursuant to the provisions hereof with reference to the transfer and exchange of Bonds or to lost, stolen, destroyed or mutilated Bonds), such Bonds shall nevertheless be valid and may be authenticated and delivered as herein provided, and may be issued as if the person who signed such Bonds had not ceased to hold such office.

Only the Bonds as shall bear thereon such certificate of authentication in the form set forth in Exhibit A attached hereto shall be entitled to any right or benefit under this Indenture, and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been signed by the Trustee.

Section 2.8. Bond Register. The Trustee will keep or cause to be kept, at the Principal Office of the Trustee, sufficient books for the registration and transfer of the Bonds which shall upon reasonable prior notice be open to inspection by the District during all regular business hours upon reasonable prior notice, and, subject to the limitations set forth in Section 2.9 below, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be transferred on said Bond Register Bonds as herein provided.

The District and the Trustee may treat the Owner of any Bond whose name appears on the Bond Register as the absolute Owner of that Bond for any and all purposes, and the District and the Trustee shall not be affected by any notice to the contrary. The District and the Trustee may rely on the address of the Bondowner as it appears in the Bond Register for any and all purposes. It shall be the duty of the Bondowner to give written notice to the Trustee of any change in the Bondowner's address so that the Bond Register may be revised accordingly.

Section 2.9. Registration of Exchange or Transfer. Subject to the limitations set forth in the following paragraph, the registration of any Bond may, in accordance with its terms, be transferred upon the Bond Register by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Bond for cancellation at the Principal Office of the Trustee, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee and duly executed by the Bondowner or his or her duly authorized attorney.

Bonds may be exchanged at the Principal Office of the Trustee for a like aggregate principal amount of Bonds for other authorized denominations of the same maturity. The Trustee shall not collect from the Owner any charge for any new Bond issued upon any exchange or transfer, but shall require the Bondowner requesting such exchange or transfer to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer. Whenever any Bonds shall be surrendered for registration of transfer or exchange, the District shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds of the same maturity, for a like aggregate principal amount; provided that the Trustee shall not be required to register transfers or make exchanges of: (i) Bonds for a period of 15 days next preceding any selection of the Bonds to be redeemed; or (ii) any Bonds chosen for redemption.

Section 2.10. Mutilated, Lost, Destroyed or Stolen Bonds. If any Bond shall become mutilated, the District shall execute, and the Trustee shall authenticate and deliver, a new Bond of like tenor, date and maturity in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be cancelled by the Trustee pursuant to Section 10.1 hereof. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence is satisfactory to the Trustee and, if any indemnity satisfactory to the Trustee shall be given, the District, at the expense of the Bondowner, shall execute and the Trustee shall authenticate and deliver, a new Bond of like tenor and maturity, numbered and dated as the Trustee shall determine in lieu of and in substitution for the Bond so lost, destroyed or stolen. Any Bond issued in lieu of any Bond alleged to be mutilated, lost, destroyed or stolen, shall be equally and proportionately entitled to the benefits hereof with all other Bonds issued hereunder. The Trustee shall not treat both the original Bond and any replacement Bond as being Outstanding for the purpose of determining the principal amount of Bonds which may be executed, authenticated and delivered hereunder or for the purpose of determining any percentage of Bonds Outstanding hereunder, but both the original and replacement Bond shall be treated as one and the same. Notwithstanding any

other provision of this Section, in lieu of delivering a new Bond which has been mutilated, lost, destroyed or stolen, and which has matured, the Trustee may make payment with respect to such Bonds upon receipt of indemnification satisfactory to the Trustee.

Section 2.11. Validity of Bonds. The validity of the authorization and issuance of the Bonds shall not be affected in any way by any defect in any proceedings taken by the District with respect to the issuance of the Bonds, and the recital contained in the Bonds that the same are issued pursuant to the Act and other applicable laws of the State shall be conclusive evidence of their validity and of the regularity of their issuance.

Section 2.12. Book-Entry System. The Bonds shall be initially delivered in the form of a separate single fully registered Bond (which may be typewritten) for each of the maturities of the Bonds. Upon initial delivery, the ownership of each such Bond shall be registered in the registration books kept by the Trustee in the name of the Nominee as nominee of the Depository. Except as provided in Section 2.14 hereof, all of the Outstanding Bonds shall be registered in the registration books kept by the Trustee in the name of the Nominee.

With respect to Bonds registered in the registration books kept by the Trustee in the name of the Nominee, the District and the Trustee shall have no responsibility or obligation to any such Participant or to any Person on behalf of which such a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Trustee shall have no responsibility or obligation with respect to: (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant or any other Person, other than an Owner as shown in the registration books kept by the Trustee, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in the Bonds to be redeemed in the event the Bonds are redeemed in part, or (iv) the payment to any Participant or any other Person, other than an Owner as shown in the registration books kept by the Trustee, of any amount with respect to principal of, premium, if any, or interest due with respect to the Bonds. The District and the Trustee may treat and consider the Person in whose name each Bond is registered in the registration books kept by the Trustee as the holder and absolute owner of such Bond for the purpose of payment of the principal of, premium, if any, and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of, premium, if any, and interest due on the Bonds only to or upon the order of the respective Owner, as shown in the registration books kept by the Trustee, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to satisfy and discharge fully the District's obligations with respect to payment of the principal, premium, if any, and interest due on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the registration books kept by the Trustee, shall receive a Bond evidencing the obligation of the District to make payments of principal, premium, if any, and interest pursuant to this Indenture. Upon delivery by the Depository to the Trustee and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Indenture shall refer to such new nominee of the Depository.

Section 2.13. Representation Letter. In order to qualify the Bonds which the District elects to register in the name of the Nominee for the Depository's book-entry system, an authorized representative of the District or the Trustee is hereby authorized to execute from time to time and

deliver to such Depository the Representation Letter. The execution and delivery of the Representation Letter shall not in any way limit the provisions of Section 2.12 or in any other way impose upon the District or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Owners, as shown on the registration books kept by the Trustee. In addition to the execution and delivery of the Representation Letter, the Authorized Representatives of the District are hereby authorized to take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

Section 2.14. Transfers Outside Book-Entry System. In the event that: (i) the Depository determines not to continue to act as securities depository for the Bonds; or (ii) the District determines that the Depository shall no longer so act, then the District will discontinue the book-entry system with the Depository. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds so designated shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of the Nominee, but shall be registered in whatever name or names Persons transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 2.9 hereof.

Section 2.15. Payments to the Nominee. Notwithstanding any other provisions of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal, premium, if any, and interest due with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

Section 2.16. Initial Depository and Nominee. The initial Depository under this Article II shall be The Depository Trust Company, New York, New York (the "DTC"). The initial Nominee shall be Cede & Co., as Nominee of the DTC.

ARTICLE III

CREATION OF FUNDS AND APPLICATION OF PROCEEDS

Section 3.1. Creation of Funds; Application of Proceeds.

(a) There are hereby created and established and shall be maintained by the Trustee the following funds and accounts:

(1) The Community Facilities District No. 2004-3 Special Tax Fund (the "Special Tax Fund") (in which there shall be established and created an Interest Account, a Principal Account, a Redemption Account, a Reserve Account and an Administrative Expense Account).

(2) The Community Facilities District No. 2004-3 Rebate Fund (the "Rebate Fund") (in which there shall be established a Rebate Account and an Alternative Penalty Account).

(3) The Community Facilities District No. 2004-3 Costs of Issuance Fund (the "Costs of Issuance Fund").

(4) The Community Facilities District No. 2004-3 Surplus Fund (the "Surplus Fund").

The amounts on deposit in the foregoing funds and accounts shall be held by the Trustee and the Trustee shall invest and disburse the amounts in such funds and accounts in accordance with the provisions of this Article III and shall disburse investment earnings thereon in accordance with the provisions of Section 3.10 hereof.

The Trustee, at the direction of an Authorized Representative of the City, may create new funds, accounts or subaccounts, or may create additional accounts within any of the foregoing funds and accounts.

(b) The proceeds of the sale of the Bonds shall be received by the Trustee on behalf of the District and deposited and transferred as follows:

(1) \$_____ shall be deposited to the Costs of Issuance Fund to pay the Costs of Issuance of the Bonds;

(2) \$_____ shall be deposited to the Reserve Account of the Special Tax Fund to fund the Reserve Requirement;

(3) \$_____ shall be transferred to the Escrow Agent for deposit in the Escrow Fund; and

(4) \$_____ shall be deposited to the Administrative Expense Account of the Special Tax Fund.

The Trustee may, in its discretion, establish a temporary fund or account in its books and records to facilitate such transfers and deposits.

Section 3.2. Deposits to and Disbursements from Special Tax Fund.

(a) Except for Prepayments which shall be deposited to the Redemption Account as specified in a Certificate of an Authorized Representative, the Trustee shall, on each date on which the Special Taxes are received from the District, deposit the Special Taxes in the Special Tax Fund to be held in trust for the Owners. The Trustee shall transfer the Special Taxes on deposit in the Special Tax Fund on the dates and in the amounts set forth in the following Sections, in the following order of priority, to:

(1) the Administrative Expense Cap to the Administrative Expense Account of the Special Tax Fund;

(2) the Interest Account of the Special Tax Fund;

(3) the Principal Account of the Special Tax Fund;

(4) the Redemption Account of the Special Tax Fund;

(5) the Reserve Account of the Special Tax Fund;

(6) the Administrative Expense Account, for amounts not deposited in step (1) above in accordance with Section 3.3 herein;

- (7) the Rebate Fund; and
- (8) the Surplus Fund.

(b) At maturity of all of the Bonds and, after all principal and interest then due on the Bonds then Outstanding has been paid or provided for and any amounts owed to the Trustee have been paid in full, moneys in the Special Tax Fund and any accounts therein may be used by the District for any lawful purpose.

Section 3.3. Administrative Expense Account of the Special Tax Fund. The Trustee shall transfer from the Special Tax Fund and deposit in the Administrative Expense Account of the Special Tax Fund from time to time amounts necessary to make timely payment of Administrative Expenses as set forth in a Certificate of an Authorized Representative of the District; provided, however, that, except as set forth in the following sentence, the total amount transferred in a Bond Year shall not exceed the Administrative Expenses Cap until such time as there has been deposited to the Interest Account and the Principal Account an amount, together with any amounts already on deposit therein, that is sufficient to pay the interest and principal on all Bonds due in such Bond Year and to restore the Reserve Account to the Reserve Requirement. Notwithstanding the foregoing, amounts in excess of the Administrative Expenses Cap may be transferred to the Administrative Expense Account to the extent necessary to collect delinquent Special Taxes. Moneys in the Administrative Expense Account of the Special Tax Fund shall be invested in any Authorized Investments as directed in writing by an Authorized Representative of the District and shall be disbursed as directed in a Certificate of an Authorized Representative, provided that the maturity or maturities thereof shall not exceed 30 days from the date of purchase. In the event Administrative Expenses exceed the Administrative Expense Cap in any Bond Year, after all deposits required pursuant to Sections 3.4, 3.5 and 3.6 below have been made for the then current Bond Year, the Trustee shall transfer from the Special Tax Fund to the Administration Expense Account of the Special Tax Fund the amount of Administrative Expenses in excess of the Administrative Expense Cap, as directed in writing in a Certificate of an Authorized Representative.

Section 3.4. Interest Account and Principal Account of the Special Tax Fund. The principal or Sinking Fund Payment of and interest due on the Bonds until maturity shall be paid by the Trustee from the Principal Account and the Interest Account of the Special Tax Fund, respectively. For the purpose of assuring that the payment of principal or Sinking Fund Payment of and interest on the Bonds will be made when due, after making the transfer required by Section 3.3, at least one Business Day prior to each March 1 and September 1, the Trustee shall make the following transfers from the Special Tax Fund, first to the Interest Account and then to the Principal Account; provided that, if amounts in the Special Tax Fund (exclusive of the Reserve Account) are inadequate to make the foregoing transfers, then any deficiency shall be made up by transfers from the Reserve Account:

(a) To the Interest Account, an amount such that the balance in the Interest Account one Business Day prior to each Interest Payment Date shall be equal to the installment of interest due on the Bonds on said Interest Payment Date and any installment of interest due on a previous Interest Payment Date which remains unpaid. Moneys in the Interest Account shall be used for the payment of interest on the Bonds as the same become due.

(b) To the Principal Account, an amount such that the balance in the Principal Account one Business Day prior to September 1 of each year, commencing September 1, 2015, shall equal the

principal payment due on the Bonds maturing on such September 1 and any principal payment due on a previous September 1 which remains unpaid. Moneys in the Principal Account shall be used for the payment of the principal or Sinking Fund Payment of such Bonds as the same become due.

Section 3.5. Redemption Account of the Special Tax Fund.

(a) Prepayments deposited to the Redemption Account, along with any amounts that an Authorized Officer of the District directs to be transferred from the Reserve Account to the Redemption Account in connection with any Prepayments, shall be applied on the redemption date established pursuant to Section 4.1 hereof for the use of such Prepayments to the payment of the principal of, premium, and interest on the Bonds to be redeemed with such Prepayments; provided that amounts shall be transferred from the Reserve Account only if immediately following such redemption the amount in the Reserve Account will meet the Reserve Requirement.

(b) Moneys set aside in the Redemption Account shall be used solely for the purpose of redeeming Bonds pursuant to Sections 4.1 and 4.3 and shall be applied on or after the redemption date to the payment of principal of and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds and in the case of an extraordinary redemption from Prepayments to pay the interest thereon; provided, however, that in lieu or partially in lieu of such call and redemption, moneys deposited in the Redemption Account may be used to purchase Outstanding Bonds in the manner hereinafter provided. Purchases of Outstanding Bonds may be made by the District at public or private sale as and when and at such prices as the District may in its discretion determine but only at prices (including brokerage or other expenses) not more than par plus accrued interest, or, in the case of purchases to be made from funds to be applied to a redemption pursuant to Section 4.1, par plus accrued interest, plus premium, if any, in the case of moneys set aside for an optional redemption. Any accrued interest payable upon the purchase of Bonds may be paid from the amount reserved in the Interest Account of the Special Tax Fund for the payment of interest on the next following Interest Payment Date.

Section 3.6. Reserve Account of the Special Tax Fund. There shall be maintained in the Reserve Account of the Special Tax Fund an amount equal to the Reserve Requirement. The amounts in the Reserve Account shall be applied as follows:

(a) Moneys in the Reserve Account shall be used solely for the purpose of paying the principal and Sinking Fund Payments of and interest on the Bonds when due in the event that the moneys in the Interest Account and the Principal Account of the Special Tax Fund are insufficient therefor and for the purpose of making any required transfer to the Rebate Fund pursuant to Section 3.7 hereof upon written direction from the District provided, however, amounts in the Reserve Account may be applied to pay the principal of and interest due on any Bonds in the final Bond Year in which any Bonds are Outstanding. If the amounts in the Interest Account or the Principal Account of the Special Tax Fund are insufficient to pay the principal and Sinking Fund Payments of or interest on any Bonds when due, or amounts in the Special Tax Fund are insufficient to make transfers to the Rebate Fund when required, the Trustee shall withdraw from the Reserve Account for deposit in the Interest Account or the Principal Account of the Special Tax Fund or the Rebate Fund, as applicable, moneys necessary for such purposes. Following any transfer to the Principal Account or Interest Account of the Special Tax Fund or to the Rebate Fund as described above, the District shall then take the steps necessary to cause to be deposited to the Reserve Account the amount needed to replenish the Reserve Account to the Reserve Requirement by instructing the Trustee in a Certificate of an Authorized Representative such amount from the Surplus Fund, if moneys are on

deposit in the Surplus Fund and available for such purpose, or by including such amount in the next annual Special Tax levy to the extent of the permitted maximum Special Tax rates.

(b) Notwithstanding anything herein to the contrary, whenever moneys are withdrawn from the Reserve Account, after making the required transfers pursuant to Sections 3.3, 3.4 and 3.5 above, the Trustee shall transfer to the Reserve Account from available moneys in the Special Tax Fund, or from any other legally available funds which the District elects to apply to such purpose, the amount needed to restore the amount of such Reserve Account to the Reserve Requirement. Moneys in the Special Tax Fund shall be deemed available for transfer to the Reserve Account only if the Trustee determines that such amounts will not be needed to make the deposits required to be made to the Administrative Expense Account, the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund on or before the next September 1.

(c) In connection with a redemption of Bonds pursuant to Section 4.1 or Section 4.3, or a defeasance of Bonds in accordance with Section 9.1, amounts in the Reserve Account may be applied to such redemption or defeasance so long as the amount on deposit in the Reserve Account following such redemption or any partial defeasance equals the Reserve Requirement. The District shall set forth in a Certificate of an Authorized Representative the amount in the Reserve Account to be transferred to the Redemption Account on a redemption date or to be transferred pursuant to this Indenture to partially defease Bonds, and the Trustee shall make such transfer on the applicable redemption or defeasance date, subject to the limitation in the preceding sentence.

(d) Notwithstanding anything herein to the contrary, moneys in the Reserve Account in excess of the Reserve Requirement not transferred in accordance with the preceding provisions of this section shall be withdrawn from the Reserve Account on the Business Day before each March 1 and September 1 and shall be transferred to the Interest Account of the Special Tax Fund.

Section 3.7. Rebate Fund.

(a) Establishment. The Trustee shall establish and maintain a fund separate from any other fund established and maintained hereunder designated as the Rebate Fund and shall establish a separate Rebate Account and Alternative Penalty Account therein. The District shall cause to be deposited in the Rebate Fund such amounts as required under the Tax Certificate. All money at any time deposited in the Rebate Account or the Alternative Penalty Account of the Rebate Fund shall be held by the Trustee in trust, for payment to the United States Treasury. All amounts on deposit in the Rebate Fund shall be governed by this Section 3.7 and the Tax Certificate.

Without limiting the generality of the foregoing, the District agrees that there shall be paid from time to time all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any temporary, proposed or final treasury regulations as may be applicable to the Bonds from time to time, which the District covenants to pay or cause to be paid to the United States at the times and in the amounts determined under the Tax Certificate. The Trustee agrees to comply with all instructions given to it by the District in accordance with this covenant. The Trustee shall conclusively be deemed to have complied with the provisions of this Section 3.7 if it follows the instructions of the District and shall not be required to take any actions hereunder in the absence of instructions from the District.

(b) Disposition of Unexpended Funds. Any funds remaining in the Accounts of the Rebate Fund with respect to the Bonds after payment in full of such issue and after making the

payments required to comply with this Section 3.7 and the Tax Certificate may be withdrawn by the Trustee at the written direction of the District and utilized in any manner by the District.

(c) Survival of Defeasance and Final Payment. Notwithstanding anything in this Section or this Indenture to the contrary, the obligation to comply with the requirements of this Section shall survive the defeasance and final payment of the Bonds.

(d) Amendment Without Consent of Owners. This Section 3.7 may be deleted or amended in any manner without the consent of the Owners, provided that prior to such event there is delivered to the District an opinion of Bond Counsel to the effect that such deletion or amendment will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds issued on a tax-exempt basis. Notwithstanding any provision of this Section, if the District shall provide to the Trustee an opinion of a nationally recognized bond or tax counsel that any specified action required under this Section 3.7 is no longer required or that some further or different action is required to maintain the tax-exempt status of interest on the Bonds, the Trustee and the District may conclusively rely on such opinion in complying with the requirements of this Section, and the covenants hereunder shall be deemed to be modified to that extent.

Section 3.8. Surplus Fund. After making the transfers required by Sections 3.3, 3.4, 3.5, 3.6 and 3.7 hereof, as soon as practicable after each September 1, and in any event prior to each October 1, the Trustee shall transfer all remaining amounts in the Special Tax Fund to the Surplus Fund, unless on or prior to such date, it has received a Certificate of an Authorized Representative directing that certain amounts be retained in the Special Tax Fund because the District has included such amounts as being available in the Special Tax Fund in calculating the amount of the levy of Special Taxes for such Fiscal Year pursuant to Section 5.2(b) hereof. Moneys deposited in the Surplus Fund will be transferred by the Trustee at the direction of an Authorized Representative of the District: (i) to the Interest Account or the Principal Account of the Special Tax Fund to pay the principal or Sinking Fund Payments of and interest on the Bonds when due in the event that moneys in the Special Tax Fund and the Reserve Account of the Special Tax Fund are insufficient therefor; (ii) to the Reserve Account in order to replenish the Reserve Account to the Reserve Requirement; (iii) to the Administrative Expense Account of the Special Tax Fund to pay Administrative Expenses to the extent that the amounts on deposit in the Administrative Expense Account of the Special Tax Fund are insufficient to pay Administrative Expenses; or (iv) for any other lawful purpose of the District.

The amounts in the Surplus Fund are not pledged to the repayment of the Bonds and may be used by the District for any lawful purpose. In the event that the District reasonably expects to use any portion of the moneys in the Surplus Fund to pay debt service on any Outstanding Bonds, the District will notify the Trustee in a Certificate of an Authorized Representative and the Trustee will segregate such amount into a separate subaccount and the moneys on deposit in such subaccount of the Surplus Fund shall be invested at the written direction of the District in Authorized Investments the interest on which is excludable from gross income under Section 103 of the Code (other than bonds the interest on which is a tax preference item for purposes of computing the alternative minimum tax of individuals and corporations under the Code) or in Authorized Investments at a yield not in excess of the yield on the issue of Bonds, unless, in the opinion of Bond Counsel, investment at a higher yield will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Section 3.9. Costs of Issuance Fund.

(a) The moneys in the Costs of Issuance Fund shall be disbursed by the Trustee pursuant to a Certificate of an Authorized Representative of the District to pay Costs of Issuance.

(b) Upon receipt of a Certificate of an Authorized Representative of the District stating that all or a specified portion of the amount remaining in the Costs of Issuance Fund is no longer needed to pay Costs of Issuance, the Trustee shall transfer all or such specified portion, as applicable, of the moneys remaining on deposit in the Costs of Issuance Fund to the Interest Account of the Special Tax Fund. On the date which is six months after the date of issuance of the Bonds, all amounts remaining in the Costs of Issuance Fund shall be transferred to the Interest Account of the Special Tax Fund and the Costs of Issuance Fund shall be closed.

Section 3.10. Investments. Moneys held in any of the Funds and Accounts under this Indenture shall be invested by the Trustee at the written direction of the District in accordance with the limitations set forth below only in Authorized Investments, which shall be deemed at all times to be a part of such Funds and Accounts. Any loss resulting from such Authorized Investments shall be charged to the Fund or Account from which such investment was made, and any investment earnings on a Fund or Account shall be applied as follows: (i) investment earnings on all amounts deposited in the Costs of Issuance Fund, the Special Tax Fund, the Surplus Fund and the Rebate Fund and each Account therein (other than the Reserve Account of the Special Tax Fund) shall be deposited in those respective Funds and Accounts; and (ii) investment earnings on all amounts deposited in the Reserve Account shall be deposited therein to be applied as set forth in Section 3.6. Moneys in the Funds and Accounts held under this Indenture shall be invested by the Trustee as directed in writing by the District, from time to time, in Authorized Investments subject to the following restrictions:

(a) Moneys in the Costs of Issuance Fund shall be invested in Authorized Investments which will by their terms mature, or in the case of an Investment Agreement are available without penalty, as close as practicable to the date the District estimates the moneys represented by the particular investment will be needed for withdrawal from the Costs of Issuance Fund.

(b) Moneys in the Interest Account, the Principal Account and the Redemption Account of the Special Tax Fund shall be invested only in Authorized Investments which will by their terms mature, or in the case of an Investment Agreement are available for withdrawal without penalty, on such dates so as to ensure the payment of principal of, premium, if any, and interest on the Bonds as the same become due.

(c) One-half of the amount in the Reserve Account of the Special Tax Fund may be invested only in Authorized Investments which mature not later than six (6) months from their date of purchase by the Trustee, and one-half of such amount shall be invested in Authorized Investments which mature not more than two (2) years from the date of purchase by the Trustee; provided that such amounts may be invested in an investment or repurchase agreement so long as such amounts may be withdrawn at any time, without penalty, for application in accordance with Section 3.6 hereof; and provided that no such Authorized Investment of amounts in the Reserve Account allocable to the Bonds shall mature later than the final maturity date of the Bonds.

(d) Moneys in the Rebate Fund shall be invested only in Authorized Investments of the type described in clause (1) of the definition thereof which by their terms will mature, as nearly as practicable, on the dates such amounts are needed to be paid to the United States Government

pursuant to Section 3.7 hereof or in Authorized Investments of the type described in clause (7) of the definition thereof.

(e) In the absence of written investment directions from the District, the Trustee shall invest solely in Authorized Investments specified in clause (7) of the definition thereof.

The Trustee shall sell, or present for redemption, any Authorized Investment whenever it may be necessary to do so in order to provide moneys to meet any payment or transfer to such Funds and Accounts or from such Funds and Accounts. For the purpose of determining at any given time the balance in any such Funds and Accounts, any such investments constituting a part of such Funds and Accounts shall be valued at their cost, except that amounts in the Reserve Account shall be valued at the market value thereof at least semi-annually on or before each Interest Payment Date. In making any valuations hereunder, the Trustee may utilize such computerized securities pricing services as may be available to it, including, without limitation, those available through its regular accounting system, and conclusively rely thereon. Notwithstanding anything herein to the contrary, the Trustee shall not be responsible for any loss from investments, sales or transfers undertaken in accordance with the provisions of this Indenture.

The Trustee may act as agent in the making or disposing of any investment and shall be entitled to its customary fee for making such investment. The Trustee may sell at the best market price obtainable, or present for redemption, any Authorized Investment so purchased whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such Authorized Investment is credited, and, subject to the provisions of Section 7.4, the Trustee shall not be liable or responsible for any loss resulting from such investment. For investment purposes, the Trustee may commingle the funds and accounts established hereunder, but shall account for each separately.

The District acknowledges that, to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive brokerage confirmations of security transactions as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements which shall include detail for all investment transactions made by the Trustee hereunder.

ARTICLE IV

REDEMPTION OF BONDS

Section 4.1. Optional Redemption.

The Bonds maturing on or before September 1, 20__ are not subject to optional redemption. The Bonds maturing on or after September 1, 20__ may be redeemed prior to their stated maturity, at the option of the District from any lawfully available source of funds on [any date] on or after September 1, 20__, in whole, or in part from such maturities as are selected by the District and by lot within a maturity, at a redemption price equal to the principal amount of the Bonds to be redeemed, together with accrued interest to the date of redemption, without premium.

In the event the District shall elect to redeem Bonds as provided in this Section 4.1, the District shall give written notice to the Trustee of its election so to redeem, the redemption date and the principal amount of the Bonds to be redeemed. The notice to the Trustee shall be given at least

45 but no more than 60 days prior to the redemption date or such shorter period as shall be acceptable to the Trustee in the sole determination of the Trustee, such notice for the convenience of the Trustee.

Section 4.2. Mandatory Sinking Fund Redemption.

The Bonds maturing on September 1, 20__ (the “Term Bonds”) will be called before maturity and redeemed, from the Sinking Fund Payments that have been deposited into the Principal Account established by the Indenture, on September 1, 20__, and on each September 1 thereafter prior to maturity, in accordance with the schedule of Sinking Fund Payments set forth below. The Term Bonds so called for redemption shall be selected by the Trustee by lot and shall be redeemed at a redemption price for each redeemed Term Bond equal to the principal amount thereof, plus accrued interest to the redemption date, without premium, as follows:

<u>Term Bonds Maturing September 1, 20__</u>	
<u>Year</u>	<u>Amount</u>
20__	\$
20__ (Maturity)	

In the event of a partial optional redemption or extraordinary mandatory redemption of the Term Bonds, each of the remaining Sinking Fund Payments for such Term Bonds, as applicable, will be reduced, as nearly as practicable, on a pro rata basis, in integral multiples of \$5,000.

Section 4.3. Extraordinary Redemption of Bonds.

The Bonds are subject to extraordinary redemption as a whole, or in part on a pro rata basis among maturities, on any date, on or after September 1, 20__, and shall be redeemed by the Trustee, from Prepayments of Special Taxes deposited to the Redemption Account pursuant to Section 3.2, plus amounts transferred from the Reserve Account pursuant to Section 3.6(c), at a redemption price equal to the principal amount to be redeemed, together with accrued interest to the redemption date, without premium. Prepayments and amounts released from the Reserve Account in connection with Prepayments in accordance with Section 3.6 hereof shall be allocated to the redemption of the Bonds as nearly as practicable on a proportionate basis based on the outstanding principal amount of the Bonds.

Section 4.4. Selection of Bonds for Redemption. If less than all of the Bonds Outstanding are to be redeemed (except with respect to mandatory sinking fund redemption in which case selection shall be by lot), the portion of any Bond of a denomination of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof. In selecting portions of such Bonds for redemption, the Trustee shall treat such Bonds as representing that number of Bonds of \$5,000 denominations which is obtained by dividing the principal amount of such Bonds to be redeemed in part by \$5,000. The Trustee shall promptly notify the District in writing of the Bonds, or portions thereof, selected for redemption.

Section 4.5. Notice of Redemption. When Bonds are called for redemption under Section 4.1 or Section 4.3 above, the Trustee shall give notice, in the name of the District, of the redemption of such Bonds; provided, however, that such notice for optional redemption may be conditioned upon the receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys sufficient to pay the principal of, premium if any, and interest on the Bonds to be redeemed and upon other conditions set forth therein and that, if such moneys have not been so received and

such other conditions have not been satisfied, said notice will be of no force and effect and the Trustee will not be required to redeem such Bonds. If any condition stated in the redemption notice shall not have been satisfied on or prior to the redemption date: (a) the redemption notice shall be of no force and effect; (b) the District shall not be required to redeem such Bonds; (c) the redemption shall not be made; and (d) the Trustee shall within a reasonable time thereafter give notice to the persons in the manner in which the conditional redemption notice was given that such condition or conditions were not met and that the redemption was canceled.

Such notice of redemption shall: (i) specify the CUSIP numbers (if any), the bond numbers and the maturity date or dates of the Bonds selected for redemption, except that where all of the Bonds are subject to redemption, or all the Bonds of one maturity, are to be redeemed, the bond numbers of such issue need not be specified; (ii) state the date fixed for redemption and surrender of the Bonds to be redeemed; (iii) state the redemption price; (iv) state the place or places where the Bonds are to be redeemed; (v) in the case of Bonds to be redeemed only in part, state the portion of such Bond which is to be redeemed; (vi) state the date of issue of the Bonds as originally issued; (vii) state the rate of interest borne by each Bond being redeemed; and (viii) state any other descriptive information needed to identify accurately the Bonds being redeemed as shall be specified by the Trustee. Such notice shall further state that on the date fixed for redemption, there shall become due and payable on each Bond or portion thereof called for redemption, the principal thereof, together with any premium, and interest accrued to the redemption date, and that from and after such date, interest thereon shall cease to accrue and be payable. At least 30 days but no more than 60 days prior to the redemption date, the Trustee shall mail a copy of such notice, by first class mail, postage prepaid, to the respective Owners thereof at their addresses appearing on the Bond Register, and to the original purchaser of the Bonds. The actual receipt by the Owner of any Bond or the original purchaser of any Bond of notice of such redemption shall not be a condition precedent to redemption, and neither the failure to receive nor any defect in such notice shall affect the validity of the proceedings for the redemption of such Bonds, or the cessation of interest on the redemption date. A certificate by the Trustee that notice of such redemption has been given as herein provided shall be conclusive as against all parties and the Owner shall not be entitled to show that he or she failed to receive notice of such redemption.

In addition to the foregoing notice, further notice shall be given by the Trustee as set out below, but no defect or omission in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the legality or effectiveness of a call for redemption if notice thereof is given as above prescribed.

Each further notice of redemption shall be sent not later than the date that notice of redemption is mailed to the Bondowners pursuant to the first paragraph of this Section by registered or certified mail or overnight delivery service to the Depository and to any other registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds as determined by the Trustee and to one or more of the national information services that the District determines are in the business of disseminating notice of redemption of obligations such as the Bonds.

Upon the payment of the redemption price of any Bonds being redeemed, each check or other transfer of funds issued for such purpose shall to the extent practicable bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Section 4.6. Partial Redemption of Bonds. Upon surrender of any Bond to be redeemed in part only, the District shall execute and the Trustee shall authenticate and deliver to the Bondowner, at the expense of the District, a new Bond or Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bonds surrendered, with the same interest rate and the same maturity.

Section 4.7. Effect of Notice and Availability of Redemption Money. Notice of redemption having been duly given, as provided in Section 4.5 hereof, and the amount necessary for the redemption having been made available for that purpose and being available therefor on the date fixed for such redemption:

(a) the Bonds, or portions thereof, designated for redemption shall, on the date fixed for redemption, become due and payable at the redemption price thereof as provided in this Indenture, anything in this Indenture or in the Bonds to the contrary notwithstanding;

(b) upon presentation and surrender thereof at the Principal Office of the Trustee, the redemption price of such Bonds shall be paid to the Owners thereof;

(c) as of the redemption date the Bonds, or portions thereof so designated for redemption, shall be deemed to be no longer Outstanding and such Bonds, or portions thereof, shall cease to bear further interest; and

(d) as of the date fixed for redemption no Owner of any of the Bonds, or portions thereof so designated for redemption, shall be entitled to any of the benefits of this Indenture or any Supplemental Indenture, or to any other rights, except with respect to payment of the redemption price and interest accrued to the redemption date from the amounts so made available.

ARTICLE V

COVENANTS AND WARRANTY

Section 5.1. Warranty. The District warrants that it shall preserve and protect the security pledged hereunder to the Bonds against all claims and demands of all persons.

Section 5.2. Covenants. So long as any of the Bonds issued hereunder are Outstanding and unpaid, the District makes the following covenants with the Bondowners under the provisions of the Act and this Indenture (to be performed by the District or its proper officers, agents or employees), which covenants are necessary and desirable to secure the Bonds and tend to make them more marketable; provided, however, that said covenants do not require the District to expend any funds or moneys other than the Special Taxes and other amounts deposited to the Special Tax Fund:

(a) Punctual Payment; Against Encumbrances. The District covenants that it will receive all Special Taxes in trust for the Owners and will instruct the Authorized Representatives of the District to deposit all Gross Taxes with the Trustee as soon as reasonably practicable following their apportionment to the District, and the District shall have no beneficial right or interest in the amounts so deposited except as provided by this Indenture. All such Gross Taxes shall be disbursed, allocated and applied solely to the uses and purposes set forth herein, and shall be accounted for separately and apart from all other money, funds, accounts or other resources of the District.

The District covenants that it will duly and punctually pay or cause to be paid the principal and Sinking Fund Payments of and interest on every Bond issued hereunder, together with the premium, if any, thereon on the date, at the place and in the manner set forth in the Bonds and in accordance with this Indenture to the extent that Net Taxes and other amounts pledged hereunder are available therefor, and that the payments into the Funds and Accounts created hereunder will be made, all in strict conformity with the terms of the Bonds and this Indenture, and that it will faithfully observe and perform all of the conditions, covenants and requirements of this Indenture and all Supplemental Indentures and of the Bonds issued hereunder.

The District will not mortgage or otherwise encumber, pledge or place any charge upon any of the Special Taxes except as provided in this Indenture, and will not issue any obligation or security having a lien or charge upon the Special Taxes other than the Bonds.

(b) Levy of Special Tax. Beginning in Fiscal Year 2015-16 and so long as any Bonds are Outstanding, the legislative body of the District covenants to levy the Special Tax in an amount sufficient, together with other amounts on deposit in the Special Tax Fund, to pay: (1) the principal and Sinking Fund Payments of and interest on the Bonds when due; (2) the Administrative Expenses; and (3) any amounts required to replenish the Reserve Account of the Special Tax Fund to the Reserve Requirement. The District further covenants that it will take no actions that would discontinue or cause the discontinuance of the Special Tax levy or the District's authority to levy the Special Tax for so long as the Bonds are Outstanding.

(c) Commence Foreclosure Proceedings. The District covenants for the benefit of the Owners of the Bonds that it: (1) will commence judicial foreclosure proceedings against parcels with delinquent Special Taxes in excess of \$15,000 by the October 1 following the close of each Fiscal Year in which such Special Taxes were due; (2) will commence judicial foreclosure proceedings against all parcels with delinquent Special Taxes by the October 1 following the close of each Fiscal Year in which it receives Special Taxes in an amount which is less than 95% of the total Special Tax levied and the amount on deposit in the Reserve Account is at less than the Reserve Requirement; and (3) will diligently pursue such foreclosure proceedings until the delinquent Special Taxes are paid.

The District covenants that it will deposit the net proceeds of any foreclosure in the Special Tax Fund and will apply such proceeds remaining after the payment of Administrative Expenses to make current payments of principal and interest on the Bonds, to bring the amount on deposit in the Reserve Account up to the Reserve Requirement and to pay any delinquent installments of principal and Sinking Fund Payments or interest due on the Bonds.

Notwithstanding the provisions of this Section, as set forth in Section 8.2, the District shall have the right to accept less than the minimum bid on any delinquent parcel, and is indemnified from legal claim for Owners of the Bonds, if the legislative body of the District determines that the acceptance of less than the minimum bid or another action as described in Section 8.2 is in the best interest of the District.

(d) Payment of Claims. The District will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Net Taxes or other funds in the Special Tax Fund (other than the Administrative Expense Account therein), or which might impair the security of the Bonds then Outstanding; provided, however, that nothing

herein contained shall require the District to make any such payments so long as the District in good faith shall contest the validity of any such claims.

(e) Books and Accounts. The District will keep proper books of records and accounts, separate from all other records and accounts of the District, in which complete and correct entries shall be made of all transactions relating to the improvements constructed with the proceeds of bonded indebtedness issued by the District, the levy of the Special Tax and the deposits to the Special Tax Fund. Such books of records and accounts shall at all times during business hours be subject to the inspection of the Trustee or of the Owners of not less than 10% of the principal amount of the Bonds then Outstanding or their representatives authorized in writing.

(f) Federal Tax Covenants. Notwithstanding any other provision of this Indenture, absent an opinion of Bond Counsel that the exclusion from gross income of interest on the Bonds will not be adversely affected for federal income tax purposes, the District covenants to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income and specifically covenants, without limiting the generality of the foregoing, as follows:

(1) Private Activity. The District will take no action or refrain from taking any action or make any use of the proceeds of the Bonds or of any other moneys or property which would cause the Bonds to be “private activity bonds” within the meaning of Section 141 of the Code.

(2) Arbitrage. The District will make no use of the proceeds of the Bonds or of any other amounts or property, regardless of the source, or take any action or refrain from taking any action which will cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(3) Federal Guaranty. The District will make no use of the proceeds of the Bonds or take or omit to take any action that would cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

(4) Information Reporting. The District will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code.

(5) Hedge Bonds. The District will make no use of the proceeds of the Bonds or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause the Bonds to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless the District takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

(6) Miscellaneous. The District will take no action or refrain from taking any action inconsistent with its expectations stated in the Tax Certificate executed on the Delivery Date by the District in connection with the Bonds and will comply with the covenants and requirements stated therein and incorporated by reference herein.

(7) Other Tax Exempt Issues. The District will not use proceeds of other tax exempt securities to redeem any Bonds without first obtaining the written opinion of Bond Counsel

that doing so will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds.

(g) Reduction of Maximum Special Taxes. The District hereby finds and determines that, historically, delinquencies in the payment of special taxes authorized pursuant to the Act in community facilities districts in Southern California have from time to time been at levels requiring the levy of special taxes at the maximum authorized rates in order to make timely payment of principal of and interest on the outstanding indebtedness of such community facilities districts. For this reason, the District hereby determines that a reduction in the maximum Special Tax rates authorized to be levied on parcels in the District below the levels provided in this Section 5.2(g) would interfere with the timely retirement of the Bonds. The District determines it to be necessary in order to preserve the security for the Bonds to covenant, and, to the maximum extent that the law permits it to do so, the District hereby does covenant, that it shall not initiate proceedings to reduce the maximum Special Tax rates for the District, unless, in connection therewith: (1) the District receives a certificate from one or more Independent Financial Consultants which, when taken together, certify that such changes do not reduce the maximum Special Taxes that may be levied in each year on Developed Property within the District to an amount which is less than 110% of the Annual Debt Service due in each corresponding future Bond Year with respect to the Bonds Outstanding as of the date of such proposed reduction; and (2) the District is not delinquent in the payment of the principal of or interest on the Bonds. For purposes of estimating Administrative Expenses for the foregoing calculation, the Independent Financial Consultants shall compute the Administrative Expenses for the current Fiscal Year and escalate that amount by two percent (2%) in each subsequent Fiscal Year.

(h) Covenants to Defend. The District covenants that, in the event that any initiative is adopted by the qualified electors in the District which purports to reduce the maximum Special Tax below the levels specified in Section 5.2(g) above or to limit the power of the District to levy the Special Taxes for the purposes set forth in Section 5.2(b) above, it will commence and pursue legal action in order to preserve its ability to comply with such covenants.

(i) Limitation on Right to Tender Bonds. The District hereby covenants that it will not adopt any policy pursuant to Section 53341.1 of the Act permitting the tender of Bonds in full payment or partial payment of any Special Taxes unless the District shall have first received a certificate from an Independent Financial Consultant that the acceptance of such a tender will not result in the District having insufficient Special Tax revenues to pay the principal of and interest on the Bonds when due.

(j) Continuing Disclosure. The District covenants to comply with the terms of the Continuing Disclosure Agreement and with the terms of any other agreement executed by the District with respect to any Bonds to assist the Underwriter in complying with Rule 15(c)2-12 adopted by the Securities and Exchange Commission. Notwithstanding any other provision of this Indenture, failure of the District to comply with its obligations under the Continuing Disclosure Agreement shall not be considered an Event of Default under this Indenture, and the sole remedy, in the event of any failure of the District to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

(k) Opinions. In the event that an opinion is rendered by Bond Counsel as provided herein from a firm other than the firm which rendered the Bond Counsel opinion at closing, such subsequent opinion by Bond Counsel shall also include the conclusions set forth in numbered

paragraphs 1, 2, 3 and 4 of the original Bond Counsel opinion.

(l) Further Assurances. The District shall make, execute and deliver any and all such further agreements, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in this Indenture.

ARTICLE VI

AMENDMENTS TO INDENTURE

Section 6.1. Supplemental Indentures or Orders Not Requiring Bondowner Consent. The District may from time to time, and at any time, without notice to or consent of any of the Bondowners, adopt Supplemental Indentures for any of the following purposes:

(a) to cure any ambiguity, to correct or supplement any provisions herein which may be inconsistent with any other provision herein, or to make any other provision with respect to matters or questions arising under this Indenture or in any Supplemental Indenture, provided that such action is not materially adverse to the interests of the Bondowners;

(b) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Indenture, other covenants, agreements, limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Indenture as theretofore in effect or which further secure Bond payments;

(c) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, or to comply with the Code or regulations issued thereunder, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute, and which shall not materially adversely affect the interests of the Owners of the Bonds then Outstanding;

(d) to modify, alter or amend the RMA in any manner, so long as the Trustee receives a certificate of an Independent Financial Consultant stating that such changes do not reduce the maximum Special Taxes that may be levied in each year on Developed Property within the District to an amount which is less than 110% of the Annual Debt Service due in each corresponding future Bond Year with respect to the Bonds Outstanding as of the date of such amendment; or

(e) to modify, alter, amend or supplement this Indenture in any other respect which is not materially adverse to the Bondowners.

Section 6.2. Supplemental Indentures or Orders Requiring Bondowner Consent. Exclusive of the Supplemental Indentures described in Section 6.1, the Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding shall have the right to consent to and approve the adoption by the District of such Supplemental Indentures as shall be deemed necessary or desirable by the District for the purpose of waiving, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture; provided, however, that nothing herein shall permit, or be construed as permitting: (a) an extension of the maturity date of the principal, or the payment date of interest on, any Bond; (b) a reduction in the principal amount of, or redemption premium on, any Bond or the rate of interest thereon; (c) a

preference or priority of any Bond over any other Bond; or (d) a reduction in the aggregate principal amount of the Bonds the Owners of which are required to consent to such Supplemental Indenture, without the consent of the Owners of all Bonds then Outstanding.

If at any time the District shall desire to adopt a Supplemental Indenture, which pursuant to the terms of this Section shall require the consent of the Bondowners, the District shall so notify the Trustee and shall deliver to the Trustee a copy of the proposed Supplemental Indenture. The Trustee shall, at the expense of the District, cause notice of the proposed Supplemental Indenture to be mailed, by first class mail, postage prepaid, to all Bondowners at their addresses as they appear in the Bond Register. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that a copy thereof is on file at the office of the Trustee for inspection by all Bondowners. The failure of any Bondowners to receive such notice shall not affect the validity of such Supplemental Indenture when consented to and approved by the Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding as required by this Section. Whenever at any time within one year after the date of the first mailing of such notice, the Trustee shall receive an instrument or instruments purporting to be executed by the Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture described in such notice, and shall specifically consent to and approve the adoption thereof by the District substantially in the form of the copy referred to in such notice as on file with the Trustee, such proposed Supplemental Indenture, when duly adopted by the District, shall thereafter become a part of the proceedings for the issuance of the Bonds. In determining whether the Owners of a majority of the aggregate principal amount of the Bonds have consented to the adoption of any Supplemental Indenture, Bonds which are owned by the District or by any person directly or indirectly controlling or controlled by or under the direct or indirect common control with the District, shall be disregarded and shall be treated as though they were not Outstanding for the purpose of any such determination.

Upon the adoption of any Supplemental Indenture and the receipt of consent to any such Supplemental Indenture from the Owners of not less than a majority in aggregate principal amount of the Outstanding Bonds in instances where such consent is required pursuant to the provisions of this section, this Indenture shall be, and shall be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the District and all Owners of Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Section 6.3. Notation of Bonds; Delivery of Amended Bonds. After the effective date of any action taken as hereinabove provided, the District may determine that the Bonds may bear a notation, by endorsement in form approved by the District, as to such action, and in that case upon demand of the Owner of any Outstanding Bond at such effective date and presentation of his Bond for the purpose at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation as to such action shall be made on such Bonds. If the District shall so determine, new Bonds so modified as, in the opinion of the District, shall be necessary to conform to such action shall be prepared and executed, and in that case upon demand of the Owner of any Outstanding Bond at such effective date such new Bonds shall be exchanged at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, without cost to each Owner of Outstanding Bonds, upon surrender of such Outstanding Bonds.

ARTICLE VII

TRUSTEE

Section 7.1. Trustee. Wells Fargo Bank, National Association shall be the Trustee for the Bonds unless and until another Trustee is appointed by the District hereunder. The Trustee represents that it has a combined capital (exclusive of borrowed capital) and surplus of at least \$100,000,000. The District may, at any time, appoint a successor Trustee satisfying the requirements of Section 7.2 below for the purpose of receiving all money which the District is required to deposit with the Trustee hereunder and to allocate, use and apply the same as provided in this Indenture.

The Trustee is hereby authorized to and shall mail by first class mail, postage prepaid, or wire transfer in accordance with Section 2.5 hereof, interest payments to the Bondowners, to select Bonds for redemption, and to maintain the Bond Register. The Trustee is hereby authorized to pay the principal and Sinking Fund Payments of and premium, if any, on the Bonds when the same are duly presented to it for payment at maturity or on call and redemption, to provide for the registration of transfer and exchange of Bonds presented to it for such purposes, to provide for the cancellation of Bonds all as provided in this Indenture, and to provide for the authentication of Bonds, and shall perform all other duties assigned to or imposed on it as provided in this Indenture. The Trustee shall keep accurate records of all funds administered by it and all Bonds paid, discharged and cancelled by it.

The Trustee is hereby authorized to redeem the Bonds when duly presented for payment at maturity, or on redemption prior to maturity. The Trustee shall cancel all Bonds upon payment thereof in accordance with the provisions of Section 10.1 hereof.

The District shall from time to time, subject to any agreement between the District and the Trustee then in force, pay to the Trustee compensation for its services, reimburse the Trustee for all its advances and expenditures, including, but not limited to, advances to and fees and expenses of independent accountants or counsel employed by it in the exercise and performance of its powers and duties hereunder, and indemnify and save the Trustee, its officers, directors, employees and agents, harmless against costs, claims, expenses and liabilities, including, without limitation, fees and expenses of its attorneys, not arising from its own negligence or willful misconduct which it may incur in the exercise and performance of its powers and duties hereunder. The foregoing obligation of the District to indemnify the Trustee shall survive the removal or resignation of the Trustee or the discharge of the Bonds.

The District shall indemnify and save the Trustee, its officers, directors, employees and agents, harmless against from and against all costs, claims, expenses and liabilities, including, without limitation, fees and expenses of its attorneys, not arising from its own negligence or willful misconduct which it may incur in the exercise and performance of its powers and duties hereunder. The foregoing obligation of the District to indemnify the Trustee shall survive the removal or resignation of the Trustee or the discharge of the Bonds.

The Trustee shall receive as compensation for its services hereunder and the Trustee shall be entitled to be reimbursed by the District for its other reasonable expenses hereunder, including the reasonable compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its rights and

its duties hereunder. All such fees and reimbursements shall be paid solely from amounts held in the Administrative Expense Account pursuant to a Certificate of an Authorized Representative.

Section 7.2. Removal of Trustee. The District may at any time at its sole discretion remove the Trustee initially appointed, and any successor thereto, by delivering to the Trustee a written notice of its decision to remove the Trustee and may appoint a successor or successors thereto; provided that any such successor shall be a bank or trust company having a combined capital (exclusive of borrowed capital) and surplus of at least \$100,000,000, and subject to supervision or examination by federal or state authority. Any removal shall become effective only upon acceptance of appointment by the successor Trustee. If any bank or trust company appointed as a successor publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section, the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Any removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee and notice being sent by the successor Trustee to the Bondowners of the successor Trustee's identity and address.

Section 7.3. Resignation of Trustee. The Trustee may at any time resign by giving written notice to the District and by giving to the Owners notice of such resignation, which notice shall be mailed to the Owners at their addresses appearing in the registration books in the office of the Trustee. Upon receiving such notice of resignation, the District shall promptly appoint a successor Trustee satisfying the criteria in Section 7.2 above by an instrument in writing. Any resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee.

Section 7.4. Liability of Trustee. The recitals of fact and all promises, covenants and agreements contained herein and in the Bonds shall be taken as statements, promises, covenants and agreements of the District, and the Trustee assumes no responsibility for the correctness of the same and makes no representations as to the validity or sufficiency of this Indenture or, the Bonds, and shall incur no responsibility in respect thereof, other than in connection with its duties or obligations specifically set forth herein, in the Bonds, or in the certificate of authentication assigned to or imposed upon the Trustee. The Trustee shall be under no responsibility or duty with respect to the issuance of the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct.

The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, Bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto satisfactorily established, if disputed.

Whenever in the administration of its duties under this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action

hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a written certificate of the District, and such certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

The Trustee shall have no duty or obligation whatsoever to enforce the collection of Special Taxes or other funds to be deposited with it hereunder, or as to the correctness of any amounts received, but its liability shall be limited to the proper accounting for such funds as it shall actually receive. No provision in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of its rights or powers.

The Trustee shall not be deemed to have knowledge of any default or Event of Default until an officer at the Principal Office of the Trustee responsible for the administration of its duties hereunder shall have actual knowledge thereof or the Trustee shall have received written notice thereof at its Principal Office.

The Trustee shall have no responsibility for, and makes no representations with respect to, any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

Section 7.5. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, shall be the successor to the Trustee without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

ARTICLE VIII

EVENTS OF DEFAULT; REMEDIES

Section 8.1. Events of Default. Any one or more of the following events shall constitute an "Event of Default":

(a) default in the due and punctual payment of the principal of or redemption premium, if any, on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) default in the due and punctual payment of the interest on any Bond when and as the same shall become due and payable; or

(c) except as described in clauses (a) or (b), default shall be made by the District in the observance of any of the agreements, conditions or covenants on its part contained in this Indenture, the Bonds, and such default shall have continued for a period of 30 days after the District shall have been given notice in writing of such default by the Trustee or the Owners of 25% in aggregate principal amount of the Outstanding Bonds; provided, however, that if in the reasonable opinion of

the District the default stated in the notice can be corrected, but not within such 30 day period and corrective action is instituted by the District within such 30 day period and diligently pursued in good faith until the default is corrected, such default shall not be an Event of Default hereunder

The Trustee agrees to give notice to the Owners as soon as practicable upon the occurrence of an Event of Default under clauses (a) or (b) above and within 30 days of the Trustee's knowledge of an Event of Default under clause (c) above.

Section 8.2. Remedies of Owners. Upon the occurrence of an Event of Default, the Trustee may pursue any available remedy at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Outstanding Bonds, and to enforce any rights of the Trustee under or with respect to this Indenture, including:

(a) by mandamus or other suit or proceeding at law or in equity to enforce his rights against the District and any of the members, officers and employees of the District, and to compel the District or any such members, officers or employees to perform and carry out their duties under the Act and their agreements with the Owners as provided in this Indenture;

(b) by suit in equity to enjoin any actions or things which are unlawful or violate the rights of the Owners; or

(c) by a suit in equity to require the District and its members, officers and employees to account as the trustee of an express trust.

If an Event of Default shall have occurred and be continuing, and if requested so to do by the Owners of at least twenty-five percent (25%) in aggregate principal amount of Outstanding Bonds, and if indemnified to its satisfaction, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article VIII, as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Owners of the Bonds.

No remedy herein conferred upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law.

Section 8.3. Application of Revenues and Other Funds After Default. All amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture relating to the Bonds shall be applied by the Trustee in the following order upon presentation of the several Bonds:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in carrying out the provisions of this Article VIII, including reasonable compensation to its agents, attorneys and counsel, and to the payment of all other outstanding fees and expenses of the Trustee; and

Second, to the payment of the whole amount of interest on and principal and Sinking Fund Payments of the Bonds then due and unpaid, with interest on overdue installments of principal and Sinking Fund Payments and interest to the extent permitted by law at the net effective rate of

interest then borne by the Outstanding Bonds; provided, however, that in the event such amounts shall be insufficient to pay in full the full amount of such interest and principal, then such amounts shall be applied in the following order of priority:

(a) first, to the payment of all installments of interest on the Bonds then due and unpaid on a pro rata basis based on the total amount then due and owing;

(b) second, to the payment of all installments of principal and Sinking Fund Payments of the Bonds then due and unpaid on a pro rata basis based on the total amount then due and owing; and

(c) third, to the payment of interest on overdue installments of principal and Sinking Fund Payments and interest on the Bonds on a pro rata basis based on the total amount then due and owing.

Section 8.4. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in aggregate principal amount of the Outstanding Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other such litigation. Any suit, action or proceeding which any Owner of Bonds shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners of Bonds similarly situated, and the Trustee is hereby appointed (and the successive respective Owners of the Bonds issued hereunder, by taking and holding the same, shall be conclusively deemed so to have appointed it) the true and lawful attorney in fact of the respective Owners of the Bonds for the purposes of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners of the Bonds as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact.

Section 8.5. Appointment of Receivers. Upon the occurrence of an Event of Default hereunder, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners of the Bonds under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Net Taxes and other amounts pledged hereunder, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 8.6. Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture, or in the Bonds, shall affect or impair the obligation of the District, which is absolute and unconditional, to pay the interest on and principal of the Bonds to the respective Owners of the Bonds at the respective dates of maturity, as herein provided, out of the Net Taxes and other moneys herein pledged for such payment.

A waiver of any default or breach of duty or contract by the Trustee or any Owners shall not affect any subsequent default or breach of duty or contract, or impair any rights or remedies on any such subsequent default or breach. No delay or omission of the Trustee or any Owner of any of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy conferred upon the Trustee or the Owners by the Act or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee or the Owners, as the case may be.

Section 8.7. Limitations on Rights and Remedies of Owners. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless: (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy hereunder; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of and interest and premium (if any) on such Bond as herein provided or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.8. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case, the District, the Trustee and the Owners shall be restored to their former positions and rights hereunder, respectively, with regard to the property subject to this Indenture, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

ARTICLE IX

DEFEASANCE

Section 9.1. Defeasance. If the District shall pay or cause to be paid, or there shall otherwise be paid, to the Owner of an Outstanding Bond the interest due thereon and the principal thereof, at the times and in the manner stipulated in this Indenture or any Supplemental Indenture,

then the Owner of such Bond shall cease to be entitled to the pledge of Net Taxes, and, other than as set forth below, all covenants, agreements and other obligations of the District to the Owner of such Bond under this Indenture shall thereupon cease, terminate and become void and be discharged and satisfied. In the event of a defeasance of all Outstanding Bonds pursuant to this Section, the Trustee shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the District's general fund all money or securities held by it pursuant to this Indenture which are not required for the payment of the principal of, premium, if any, and interest due on such Bonds.

Any Outstanding Bond shall be deemed to have been paid within the meaning expressed in the first paragraph of this Section if such Bond is paid in any one or more of the following ways:

(a) by paying or causing to be paid the principal of, premium, if any, and interest on such Bond, as and when the same become due and payable;

(b) by depositing with the Trustee, in trust, at or before maturity, money which, together with the amounts then on deposit in the Special Tax Fund (exclusive of the Administrative Expense Account) and available for such purpose, is fully sufficient to pay the principal of, premium, if any, and interest on such Bond, as and when the same shall become due and payable; or

(c) by depositing with the Trustee or another escrow bank appointed by the District, in trust, Federal Securities, in which the District may lawfully invest its money, in such amount as will be sufficient, together with the interest to accrue thereon and moneys then on deposit in the Special Tax Fund (exclusive of the Administrative Expense Account) and available for such purpose, together with the interest to accrue thereon, to pay and discharge the principal of, premium, if any, and interest on such Bond, as and when the same shall become due and payable.

If paid as provided above, then, at the election of the District, and notwithstanding that any Outstanding Bonds shall not have been surrendered for payment, all obligations of the District under this Indenture and any Supplemental Indenture with respect to such Bond shall cease and terminate, except for the obligation of the Trustee to pay or cause to be paid to the Owners of any such Bond not so surrendered and paid, all sums due thereon and except for the covenants of the District contained in Section 5.2(f) or any covenants in a Supplemental Indenture relating to compliance with the Code. Notice of such election shall be filed with the Trustee not less than ten days prior to the proposed defeasance date, or such shorter period of time as may be acceptable to the Trustee. In connection with a defeasance under clause (c) above, there shall be provided to the District a verification report from an independent nationally recognized certified public accountant stating its opinion as to the sufficiency of the moneys or securities deposited with the Trustee or the escrow bank to pay and discharge the principal of, premium, if any, and interest on all Outstanding Bonds to be defeased in accordance with this Section, as and when the same shall become due and payable, and an opinion of Bond Counsel (which may rely upon the opinion of the certified public accountant) to the effect that the Bonds being defeased have been legally defeased in accordance with this Indenture and any applicable Supplemental Indenture.

Upon a defeasance, the Trustee, upon request of the District, shall release the rights of the Owners of such Bonds which have been defeased under this Indenture and execute and deliver to the District all such instruments as may be desirable to evidence such release, discharge and satisfaction. In the case of a defeasance hereunder of all Outstanding Bonds, the Trustee shall pay over or deliver to the District any funds held by the Trustee at the time of a defeasance, which are not required for

the purpose of paying and discharging the principal of or interest on the Bonds when due. The Trustee shall, at the written direction of the District, mail, first class, postage prepaid, a notice to the Bondowners whose Bonds have been defeased, in the form directed by the District, stating that the defeasance has occurred.

ARTICLE X

MISCELLANEOUS

Section 10.1. Cancellation of Bonds. All Bonds surrendered to the Trustee for payment upon maturity or for redemption shall be upon payment therefor, and any Bond purchased by the District as authorized herein and delivered to the Trustee for such purpose shall be, cancelled forthwith and shall not be reissued. The Trustee shall destroy such Bonds, as provided by law, and, upon written request of the District, furnish to the District a certificate of such destruction.

Section 10.2. Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by this Indenture to be signed or executed by Bondowners may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Owners in person or by their attorneys appointed by an instrument in writing for that purpose, or by the bank, trust company or other depository for such Bonds. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, and of the ownership of Bonds shall be sufficient for the purposes of this Indenture (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his or her attorney of any such instrument and of any instrument appointing any such attorney, may be proved by a signature guarantee of any bank or trust company located within the United States of America. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such signature guarantee shall also constitute sufficient proof of his authority.

(b) As to any Bond, the person in whose name the same shall be registered in the Bond Register shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of any such Bond, and the interest thereon, shall be made only to or upon the order of the registered Owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond and the interest thereon to the extent of the sum or sums to be paid. Neither the District nor the Trustee shall be affected by any notice to the contrary.

Nothing contained in this Indenture shall be construed as limiting the Trustee or the District to such proof, it being intended that the Trustee or the District may accept any other evidence of the matters herein stated which the Trustee or the District may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done or suffered to be done by the Trustee or the District in pursuance of such request or consent.

Section 10.3. Unclaimed Moneys. Anything in this Indenture to the contrary notwithstanding and subject to the escheat laws of the State, any money held by the Trustee in trust for the payment and discharge of any of the Outstanding Bonds which remain unclaimed for two years after the date when such Outstanding Bonds have become due and payable, if such money was

held by the Trustee at such date, or for two years after the date of deposit of such money if deposited with the Trustee after the date when such Outstanding Bonds become due and payable, shall be repaid by the Trustee to the District, as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Outstanding Bonds; provided, however, that, before being required to make any such payment to the District, the Trustee, at the expense of the District, shall cause to be mailed by first-class mail, postage prepaid, to the registered Owners of such Outstanding Bonds at their addresses as they appear on the registration books of the Trustee a notice that said money remains unclaimed and that, after a date named in said notice, which date shall not be less than 30 days after the date of the mailing of such notice, the balance of such money then unclaimed will be returned to the District.

Section 10.4. Provisions Constitute Contract. The provisions of this Indenture shall constitute a contract between the District and the Bondowners and the provisions hereof shall be construed in accordance with the laws of the State of California.

In case any suit, action or proceeding to enforce any right or exercise any remedy shall be brought or taken and, should said suit, action or proceeding be abandoned, or be determined adversely to the Bondowners or the Trustee, then the District, the Trustee and the Bondowners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

After the issuance and delivery of the Bonds this Indenture shall be irrevocable, but shall be subject to modifications to the extent and in the manner provided in this Indenture, but to no greater extent and in no other manner.

Section 10.5. Future Contracts. Nothing herein contained shall be deemed to restrict or prohibit the District from making contracts or creating bonded or other indebtedness payable from a pledge of the Net Taxes which is subordinate to the pledge hereunder, or which is payable from the general fund of the District or from taxes or any source other than the Net Taxes and other amounts pledged hereunder.

Section 10.6. Further Assurances. The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the Bonds the rights and benefits provided in this Indenture.

Section 10.7. Severability. If any covenant, agreement or provision, or any portion thereof, contained in this Indenture, or the application thereof to any person or circumstance, is held to be unconstitutional, invalid or unenforceable, the remainder of this Indenture and the application of any such covenant, agreement or provision, or portion thereof, to other persons or circumstances, shall be deemed severable and shall not be affected thereby, and this Indenture, the Bonds issued pursuant hereto shall remain valid and the Bondowners shall retain all valid rights and benefits accorded to them under the laws of the State of California.

Section 10.8. Notices. Any notices required to be given to the District with respect to the Bonds or this Indenture shall be mailed, first class, postage prepaid, or personally delivered to the Finance Director of the City of Imperial, 420 South Imperial Avenue, Imperial, California 92251, and all notices to the Trustee in its capacity as Trustee shall be mailed, first class, postage prepaid, or

personally delivered to the Trustee, Wells Fargo Bank, National Association, 707 Wilshire Boulevard, 17th Floor, Los Angeles, California 90071, Attention: Corporate Trust Services.

Section 10.9. Action on Next Business Day. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Indenture, is not a Business Day, such payment, with no interest accruing for the period from and after such nominal date, may be made or act performed or right exercised on the next succeeding Business Day with the same force and effect as if done on the nominal date provided therefore in this Indenture.

CITY OF IMPERIAL COMMUNITY FACILITIES DISTRICT NO. 2004-3 (BRATTON DEVELOPMENT) (the "District") which was formed by the City of Imperial (the "City") and is situated in the County of Imperial, State of California, FOR VALUE RECEIVED, hereby promises to pay, solely from certain amounts held under the Indenture (as hereinafter defined), to the Registered Owner named above, or registered assigns, on the Maturity Date set forth above, unless redeemed prior thereto as hereinafter provided, the Principal Amount set forth above, and to pay interest on such Principal Amount from the Interest Payment Date (as hereinafter defined) next preceding the date of authentication hereof, unless: (i) the date of authentication is an Interest Payment Date, in which event interest shall be payable from such date of authentication; (ii) the date of authentication is after a Record Date (as hereinafter defined) but prior to the immediately succeeding Interest Payment Date, in which event interest shall be payable from the Interest Payment Date immediately succeeding the date of authentication; or (iii) the date of authentication is prior to the close of business on the first Record Date, in which event interest shall be payable from the Dated Date set forth above. Notwithstanding the foregoing, if at the time of authentication of this Bond interest is in default, interest on this Bond shall be payable from the last Interest Payment Date to which the interest has been paid or made available for payment or, if no interest has been paid or made available for payment, interest on this Bond shall be payable from the Dated Date set forth above. Interest will be paid semiannually on September 1, 2015 and each March 1 and September 1 thereafter (each, an "Interest Payment Date"), at the Interest Rate set forth above, until the Principal Amount hereof is paid or made available for payment.

The principal of and premium, if any, on this Bond are payable to the Registered Owner hereof in lawful money of the United States of America upon presentation and surrender of this Bond at the Principal Office of the Trustee (as such term is defined in the Bond Indenture), initially, Wells Fargo Bank, National Association (the "Trustee"). Interest on this Bond shall be paid by check of the Trustee mailed, by first class mail, postage prepaid, or in certain circumstances described in the Indenture by wire transfer to an account within the United States of America, to the Registered Owner hereof as of the close of business on the fifteenth day of the month preceding the month in which the Interest Payment Date occurs (the "Record Date") at such Registered Owner's address as it appears on the registration books maintained by the Trustee.

This Bond is one of a duly authorized issue of "City of Imperial Community Facilities District No. 2004-3 (Bratton Development) Special Tax Refunding Bonds, Series 2015A" (the "Bonds") issued in the aggregate principal amount of \$_____ pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, being Sections 53311, *et seq.*, of the California Government Code (the "Act") for the purpose of refunding the District's 2005 Special Tax Bonds, Series A, refunding the District's 2006 Special Tax Bonds, Series B, funding a reserve account and paying certain costs related to the issuance of the Bonds. The issuance of the Bonds and the terms and conditions thereof are provided for by a resolution adopted by the City Council of the City, acting in its capacity as the legislative body of the District (the "Legislative Body"), on May __, 2015 and a Bond Indenture executed in connection therewith (the "Indenture"), and this reference incorporates the Indenture herein, and by acceptance hereof the Registered Owner of this Bond assents to said terms and conditions. The Indenture is adopted under and this Bond is issued under, and both are to be construed in accordance with, the laws of the State of California.

Pursuant to the Act and the Indenture, the principal of, premium, if any, and interest on this Bond are payable solely from the portion of the annual special taxes authorized under the Act to be levied and collected within the District remaining after payment of certain Administrative Expenses (the "Net Taxes") and certain other amounts pledged to the repayment of the Bonds as set forth in the Indenture. Any amounts for the payment hereof shall be limited to the Net Taxes pledged and collected (including foreclosure proceeds received following a default in payment of the Net Taxes) and other amounts deposited to the Special Tax Fund (other than the Administrative Expense Account therein) established under the Indenture, except to the extent that other provision for payment has been made by the Legislative Body, as may be permitted by law. The District has covenanted for the benefit of the owners of the Bonds that under certain circumstances described in the Indenture it will commence and diligently pursue to completion appropriate foreclosure proceedings in the event of delinquencies of Special Tax installments levied for payment of principal and interest on the Bonds.

The Bonds maturing on or before September 1, 20__ are not subject to optional redemption. The Bonds maturing on or after September 1, 20__ may be redeemed prior to the stated maturity, at the option of the District from any lawfully available source of funds on [any date] on or after September 1, 20__, in whole, or in part from such maturities as are selected by the District and by lot within a maturity, at a redemption price equal to the principal amount of the Bonds to be redeemed, together with accrued interest to the date of redemption, without premium.

The Bonds maturing on September 1, 20__ (the "Term Bonds") will be called before maturity and redeemed, from the sinking fund payments that have been deposited into the Redemption Account established by the Indenture, on September 1, 20__, and on each September 1 thereafter prior to maturity, in accordance with the schedule of sinking fund payments set forth

below. The Term Bonds so called for redemption shall be selected by the Trustee by lot and shall be redeemed at a redemption price for each redeemed Term Bond equal to the principal amount thereof, plus accrued interest to the redemption date, without premium, as follows:

<u>Term Bonds Maturing September 1, 20</u>	
<u>Year</u>	<u>Amount</u>
20__	\$
20__ (Maturity)	

In the event of a partial optional redemption or extraordinary mandatory redemption of the Term Bonds, each of the remaining sinking fund payments for such Term Bonds, as applicable, will be reduced, as nearly as practicable, on a pro rata basis, in integral multiples of \$5,000.

The Bonds are subject to extraordinary redemption as a whole, or in part on a pro rata basis among maturities, on any date, on or after September 1, 20__, and shall be redeemed by the Trustee, from Prepayments of Special Taxes deposited to the Redemption Account plus amounts transferred from the Reserve Account in connection with such transfers, at a redemption price equal to the principal amount to be redeemed, together with accrued interest to the redemption date, without premium.

Notice of redemption with respect to the Bonds to be redeemed shall be mailed to the registered owners thereof not less than 30 nor more than 60 days prior to the redemption date by first class mail, postage prepaid, to the addresses set forth in the registration books. Neither a failure of the Registered Owner hereof to receive such notice nor any defect therein will affect the validity of the proceedings for redemption. All Bonds or portions thereof so called for redemption will cease to accrue interest on the specified redemption date, provided that funds for the redemption are on deposit with the Trustee on the redemption date. Thereafter, the registered owners of such Bonds shall have no rights except to receive payment of the redemption price upon the surrender of the Bonds.

Any notice of a redemption with respect to an optional redemption may be conditioned as provided for in the Indenture, including but not limited to the condition of there being on deposit with the Trustee on the redemption date sufficient money to pay the redemption price of the Bonds to be redeemed.

This Bond shall be registered in the name of the Registered Owner hereof, as to both principal and interest, and the District and the Trustee may treat the Registered Owner hereof as the absolute owner for all purposes and shall not be affected by any notice to the contrary.

The Bonds are issuable only in fully registered form in the denomination of \$5,000 or any integral multiple thereof and may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same issue and maturity, all as more fully set forth in the Indenture. This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Principal Office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, upon surrender and cancellation of this Bond. Upon such transfer, a new registered Bond of authorized denomination or denominations for the same aggregate principal amount of the same issue and maturity will be issued to the transferee in exchange therefor.

The Trustee shall not be required to register transfers or make exchanges of: (i) any Bonds for a period of 15 days next preceding any selection of the Bonds to be redeemed; or (ii) any Bonds chosen for redemption.

The rights and obligations of the District and of the registered owners of the Bonds may be amended at any time, and in certain cases without notice to or the consent of the registered owners, to the extent and upon the terms provided in the Indenture.

The principal of this Bond is not subject to acceleration.

If the District shall pay or cause to be paid to the Owner of this Bond the interest due hereon and the principal hereof, at the times and in the manner stipulated herein and in the Indenture, or if there has been deposited with the Trustee moneys or investment securities, which together with the interest to accrue thereon without further investment, will be fully sufficient to pay and discharge the principal of, premium, if any, and interest on all Bonds Outstanding as and when the same shall become due and payable, then the Owner of this Bond shall cease to be entitled to the pledge of Net Taxes under the Indenture, and all covenants, agreements and other obligations of the District to the Owner of this Bond under the Indenture shall thereupon cease, terminate and become void and be discharged and satisfied.

THE BONDS DO NOT CONSTITUTE OBLIGATIONS OF THE CITY OF IMPERIAL OR OF THE DISTRICT FOR WHICH THE CITY OF IMPERIAL OR THE DISTRICT IS OBLIGATED TO LEVY OR PLEDGE, OR HAS LEVIED OR PLEDGED, GENERAL OR SPECIAL TAXES, OTHER THAN THE SPECIAL TAXES REFERENCED HEREIN. THE BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE FROM THE PORTION OF THE SPECIAL TAXES AND OTHER AMOUNTS PLEDGED UNDER THE INDENTURE BUT ARE NOT A DEBT OF THE CITY OF IMPERIAL, THE STATE OF CALIFORNIA OR ANY OF ITS POLITICAL SUBDIVISIONS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION OR RESTRICTION.

This Bond shall not become valid or obligatory for any purpose until the certificate of authentication and registration hereon endorsed shall have been dated and signed by the Trustee.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the District, does not exceed any debt limit prescribed by the laws or Constitution of the State of California.

IN WITNESS WHEREOF, City of Imperial Community Facilities District No. 2004-3 (Bratton Development) has caused this Bond to be signed on behalf of the District by the Mayor of the City Council by his facsimile signature and attested by the facsimile signature of the City Clerk of the City.
