RE: Bid Review for the La Brucherie Lift Station Improvements Project – Bid No. 2015-07

Dear Mr. Loper:

We have reviewed the three (3) bid proposals received on May 21, 2015 for the above referenced project. The low bid proposal of \$1,254,905.<sup>00</sup> was received from A&R Construction (A&R) located in Brawley, CA. The second low bid of \$1,431,000.<sup>00</sup> was from Pyramid Building & Engineering Inc. (Pyramid) of Hesperia, CA. A summary of all bids is as follows:

A&R Construction	\$1,254,905. <sup>00</sup>
Pyramid Building & Eng. Inc.	\$1,431,000. <sup>00</sup>
Cora Constructors	\$1,520,000. <sup>00</sup>

Webb Associates has performed a detailed reviewed of A&R's proposal. Our check of the State of California Contractor Board's license website shows that the licenses for A&R and their listed subcontractor for electrical (Supreme Electrical) are current and in good standing. Between A&R and their subcontractors, they possess all of the required contractor license qualifications. A&R also included and acknowledged all two Addenda with their bid, as required. A review of the Certified Data Sheet submitted by A&R in their proposal included equipment and materials in conformance with the project specifications.

Based upon our review and evaluation of the bid proposals, Webb recommends that the City award the contract for the referenced project to A&R, Inc in the amount of \$1,254,905.<sup>00</sup>.
