**IMPERIAL CITY COUNCIL  
 AGENDA ITEM**

**SUBJECT: AUTHORIZATION TO SEEK BIDS FOR THE WASTEWATER TREATMENT PLANT HEADWORKS SCREEN PROJECT.**

**DEPARTMENT INVOLVED:** Public Services

**BACKGROUND/SUMMARY:**

This project was originally designed and bids received in early 2014. After bidding the project it was discovered that the secondary side electrical from the Imperial Irrigation District's transformer is located in the project area. The project was reviewed and determined that the cost to re-locate these electrical services was cost prohibitive. City Council rejected the bids received for the project. Staff has worked with Webb & Associates to re-design this project. Design work is almost completed and will be ready to advertise for bids in a few weeks.

**FISCAL IMPACT:**
