**IMPERIAL CITY COUNCIL
 AGENDA ITEM**

**SUBJECT: DISCUSSION/ACTION: WASTEWATER TREATMENT PLANT
 HEADWORKS UPGRADE PROJECT – BID 2015-08.**

1. AWARD OF BID TO PACIFIC HYDROTECH CORP.

DEPARTMENT INVOLVED: Public Services

BACKGROUND/SUMMARY:

This project is included in the Capital Improvement Project list as part of the budget. Funds were set aside for this project and others from the re-financing of the Water and Wastewater bonds. Staff advertised for bids and the bids that were received were opened on September 1, 2015. Three bids were received and they included a base bid and three Alternate Bid Items. Engineering Consultant Webb Associates and staff have reviewed the bids received and a recommendation made to award the bid to Pacific Hydrotech Corp. Please see their recommendation letter for details.

FISCAL IMPACT: \$1,153,300.00 for base bid and additional amount if Alternate(s) is awarded.

STAFF RECOMMENDATION: Award bid to Pacific Hydrotech Corp. for the base bid and determine if Alternate(s) be awarded based on available funding.

MANAGER'S RECOMMENDATION:

RE: Bid Review for the Wastewater Treatment Plant Headworks Upgrade Project – Bid No. 2015-08

Dear Mr. Loper:

We have reviewed the three (3) bid proposals received on September 1, 2015 for the above referenced project. The low base bid proposal of \$1,153,300.⁰⁰ was received from Pacific Hydrotech Corp. located in Perris, CA. The second low base bid of \$1,239,808.⁰⁰ was from Cora Constructors of Palm Desert, CA. A summary of all base bids is as follows:

Pacific Hydrotech Corp.	\$1,153,300. ⁰⁰
Cora Constructors	\$1,239,808. ⁰⁰
Pyramid Building & Eng. Inc.	\$1,350,100. ⁰⁰

Webb Associates has performed a detailed reviewed of Pacific Hydrotech Corp.'s bid. Our check of the State of California Contractor Board's license website shows that the licenses for Pacific Hydrotech Corp. and their listed subcontractors are current and in good standing. Between Pacific Hydrotech Corp. and their subcontractors, they possess all of the required contractor license qualifications. Pacific Hydrotech Corp. also included and acknowledged all two Addenda with their bid, as required. A review of the Certified Data Sheet submitted by Pacific Hydrotech Corp. in their proposal included equipment and materials in conformance with the project specifications.

Based upon our review and evaluation of the bid proposals, Webb recommends that the City award the contract for the referenced project to Pacific Hydrotech Corp. The bid included alternate bid items. Pacific Hydrotech Corp. is the low bidder when the base bid is combined with the alternate bid items. A summary of the alternate bid amounts for Pacific Hydrotech Corp. is as follows:

• Alt Bid Item A – Biolac Cleaning and Diffuser Replacement	\$117,000
• Alt Bid Item B – Aeration Basin Walkway	\$89,100
• Alt Bid Item C – Clarifier Bypass Piping	\$58,600

Webb recommends that the City award the base bid and Alt Bid Item C with the contract for a total of \$1,211,900. If funds are available, Webb also recommends including Alt Bid Item B for a total of \$1,301,000. It is our understanding that the City will perform the work for Alt Bid Item A internally.

Should you have any questions or require additional information, please contact our office.

Sincerely,
ALBERT A. WEBB ASSOCIATES

Brian Knoll, PE
Vice President
