RESOLUTION NO. 2023-51

**A RESOLUTION DECLARING AN EMERGENCY,
AUTHORIZING THE CITY MANAGER TO TAKE SUCH
ACTION AS MAY BE NECESSARY IN RESPONSE
THERE TO AND RATIFYING ACTION TAKEN TO DATE**

WHEREAS, the City operates and maintains a wastewater treatment plant ("WWTP") and associated collection system; and

WHEREAS, wastewater generated in the City is delivered to the WWTP by way of an underground collection system ("Collection System"); and

WHEREAS, the Collection System includes manholes, including one located in the vicinity of 13th St. & C St. ("Manhole"); and

WHEREAS, the Manhole has partially collapsed. If Manhole collapses entirely this could cause failure in the Collection System at the aforesaid location that would impact the proper conveyance of wastewater for a substantial segment of the community resulting in potential backups and other associated issues; and

WHEREAS, such backup would potentially expose persons and property to injury and damage; and

WHEREAS, the above described conditions constitute an emergency under applicable law and such emergency would not reasonably permit delays associated with a competitive solicitation for bids and the actions authorized herein are necessary to respond to the emergency; and

WHEREAS, in order to safeguard the public health and safety and to protect property, it is necessary to take immediate action to repair the Collection System and Manhole; and

WHEREAS, the City Council wishes to delegate authority to the City Manager to take such action as may be necessary to repair the Manhole and Collection System, ratify action already taken and otherwise address the emergency as described herein.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF IMPERIAL DOES
RESOLVE, DETERMINE, AND ORDERS AS FOLLOWS:**

SECTION 1. The preceding recitals are true and correct.

SECTION 2. The City Council declares that the public interest and necessity demand the immediate expenditure of public money to safeguard life, health or property, and hereby delegates to the City Manager the authority to take such immediate action as may be necessary to safeguard life, health or property in connection with repair to the Manhole and Collection System in accordance with Public Contracts Code Sections 20168 and 22050 and without otherwise complying with bid requirements required by law.

SECTION 3. The City Council authorizes action set forth herein and further ratifies action authorized by the City Manager taken to date to address the failure of the Collection System and potential collapse of the Manhole on the basis that the emergency described herein will not permit a delay resulting from a competitive solicitation of bids and the action is necessary to respond to the emergency.
