Honorable City Council Members,

It has come to my attention that my term has come to a conclusion and as such requires attention on my part and the Councils.

I am honored to have served as a Planning Commissioner for the past terms and respectfully request to continue my service to the citizens of the City of Imperial as a Planning Commissioner. I always vote on projects with the best interest of both the Citizens and the City in mind, and only after having asked questions or hearing what other Commissioners have asked of the applicant.

Thank you for your time and consideration in this matter and I look forward to serving the Citizens and the City of Imperial for another term.

Respectfully

Charles R. Lucas
