Aqua Zumba

Aqua Zumba®

We have taken the party to the water! Aqua Zumba is a fun water workout with great music and high energy. Known as the Zumba "pool party," Aqua Zumba gives new meaning to the idea of an invigorating workout. Splashing, stretching, twisting, and even shouting, laughing, hooting and hollering are often heard during an Aqua Zumba class. Integrating the Zumba formula and philosophy with traditional aqua fitness disciplines, Aqua Zumba blends it all together into a safe, challenging, water-based workout that's cardio-conditioning, body-toning, and most of all, exhilarating beyond belief.

SPROUT is a grant funded program which strives to connect children, families and caregivers with the services they need to thrive in ages 0-5. SPROUT knows that the first five years of life are so important in childhood development and being your child's first teacher is a big job! Knowing libraries are one of the community pillars that support and nurture optimal early childhood development, we strive to build a program and environment which allows children and their caregivers to thrive during this period of Early Learning.
