IMPERIAL CITY COUNCIL AGENDA ITEM

SUBJECT:

DISCUSSION/ACTION:

7TH ST REHABILITATION & PEDESTRIAN IMPROVEMENTS FROM S. "D" STREET TO S. "E" STREET - LPP SB1 5134(029) – BID No. 2024-04

- 1. AWARD CONSTRUCTION CONTRACT TO ROVE ENGINEERING, INC.
- 2. AUTHORIZE 25% CONTINGENCY.

DEPARTMENT INVOLVED: COMMUNITY DEVELOPMENT DEPARTMENT

BACKGROUND/SUMMARY:

The Community Development Department was directed by City Council per Agenda Item CC05-15-24_Item-C3 to conduct a competitive BID process for the for the 7th St Rehabilitation & Pedestrian Improvements Project.

The project includes, but not limited to the following activities: Pulverization of existing asphalt in place, blending the product with existing Class II Base and recompacting, installation of 4" layer of asphalt-rubber hot mix gap graded (ARHM-GG), removal and replacement of existing ADA ramps, concrete curb and gutter, sidewalks, driveways and cross gutter, installation of thermoplastic striping, as well as road traffic control around the construction zones.

See attached Exhibit 1 (Improvement Plans) for details.

Staff released a BID published in the City Website, Holtville Tribune, Calexico Chronicle, and several planrooms. Additionally, staff sent out the BID to a total of ten (10) Local and Non-Local respected and dependable contractors.

The following three (3) Bids were received during the formal bidding process:

1.	Rove Engineering, Inc.	\$ 275,100.86
2.	LC Paving & Sealing, Inc.	\$ 381,633.58
3.	Pyramid Construction and Aggregates, Inc.	\$ 310,198.63

See attached Exhibit 2 ("BID Opening Act") for details.

After carefully reviewing of said Bids, staff is recommending the contract be awarded to Rove Engineering, Inc.

Since this street is located within the oldest area of the City, it is also recommended to authorize a 25% Contingency for the construction of this project due to potential unforeseen underground conditions. If authorized, it will be reduced the likelihood of project delays.

Main concerns (but not limited to) are in regard to very old or unidentified City's, Utility Companies' and/or IID's infrastructure.

FISCAL IMPACT:

\$ 275,100.86 from LPP SB-1 & LTA Measure "D" Funds.

ADMIN SERVICES SIGN INITIALS JMS

STAFF RECOMMENDATION: Staff recommends City Count. 1. Award a construction contract to <i>ROVE Engineering</i> , amount of \$ 275,100.86. 2. Authorize 25% Contingency.	DEPT. INITIALS	<u>o</u> M
