SUBJECT: DISCUSSION/ACTION: SURPLUS OF PARKS FLEET VEHICLE 2004 F250 DIESEL SERVICE TRUCK I. APPROVE THE SURPLUS OF PARKS FLEET VEHICLE	
DEPARTMENT INVOLVED: PARKS	
BACKGROUND/SUMMARY: In municipal budget for 2021-22 City Council approved the purchase of a new Parks fleet vehicle to replace a mechanically poor service truck. This vehicle is currently valued at \$5,739.00. In 2019-20, the Parks department spent nearly \$2,000 in repairs to this vehicle. This vehicle was in and out of our city shop for repairs a total of 16 times, 4 of which were due to A/C system issues. The vehicle's A/C continues to be out service and also has an engine block leak that is pending repair. Staff estimates current cost of repairs to be upwards of \$2,500. Staff's recommendation would be to surplus this truck since the projected repairs are nearly 50% of the value.
