

Staff Report

Agenda Item No. E-1

To: City of Imperial Traffic Commission
From: Lisa Tylanda, Planner
Date: October 19, 2017
Subject: Proposed Radar Signs

Background

During the October 4th, 2017 City Council meeting various residents of the Paseo Del Sol subdivision voiced their traffic concerns regarding Clark Road. The concerns that were voiced the most regarding traffic were as follows:

- Drivers using excessive speed in the area
- Safety concerns regarding the placement of the school bus stop on Clark Road

An official traffic study of the location has not yet been conducted, but the vehicular volume witnessed is significant. Current School Bus Stop Locations are:

- Clark Road and Rosarito Drive
- Clark Road and Nuevo Vallarta Drive
- Clark Road and 2nd Street

Staff recommends the placement of two Speed Radar signs. Please look at the attachment that depicts the placement locations of the radar signs and current school bus stops on Clark Road. The Yellow balloons represent the proposed radar signs and the blue balloons represent the current school bus stops. Staff believes the placement of radar signs on Clarks Road will be a positive step towards improving the speed limit abuse.

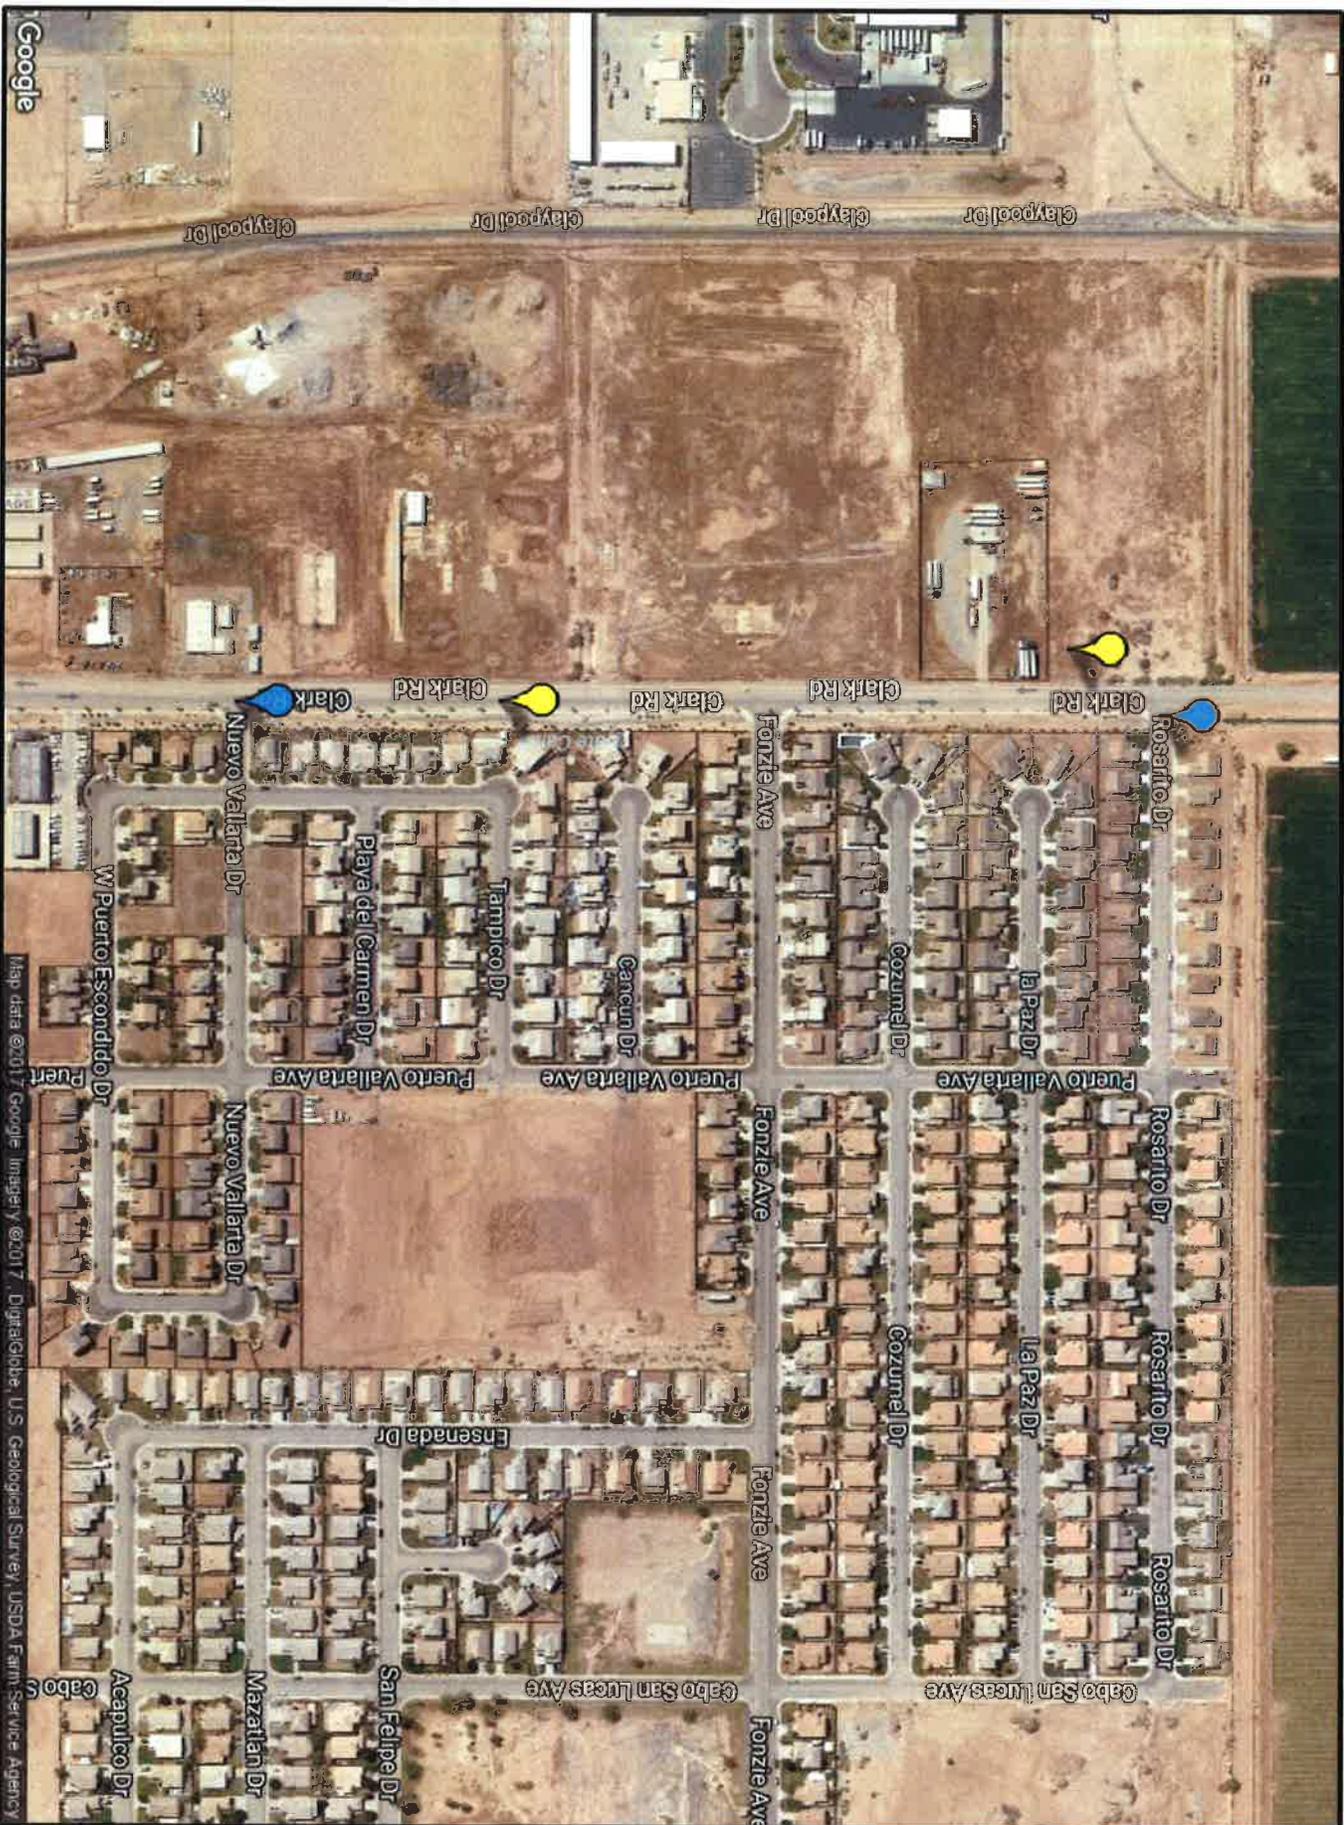

Staff Recommendation:

Staff recommends this item to the Traffic Commission for discussion and action.
