To the Request for Proposal

This Addendum answers questions received as follows:

Answer: The rehabilitation of the Wetwell must be substantially completed within ten (10) business days.

2. How many contractors and subcontractors are expected to be on this project?

Answer: There is one contractor and no subcontractors on this project.

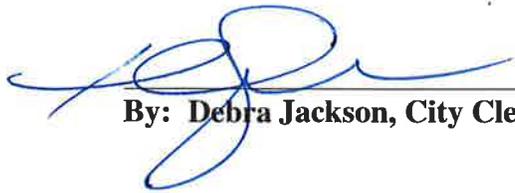

3. For the fee schedule, are you looking for rates? Or a price for the whole project?

Answer: The City is looking for a price for the whole project.

4. On Attachment A it states proposals must be mailed in hard copies. However, on Attachment B under section 1.0 Purpose it states "The CITY will accept proposals via email and US mail." Under section 6.0 Preparation of Proposal it states that accepted methods of delivery are "electronic mail, personal delivery, United States Postal Service or other delivery services such as FedEx or United Parcel Service." I would like to confirm whether or not an emailed copy would be accepted.

*Answer: Attachment A is correct as written.
Attachment B Section 1.0 is incorrect. The CITY will not accept proposals via email.
