I. **Overview**

The City of Imperial, California invites professional firms to submit proposals to provide Engineering Design Services for the 2020 Overlay Improvements Project at the intersection of Aten Boulevard and Clark Road.

II. **Background**

The City of Imperial is located in the center of Imperial County in California's southeastern desert region. Incorporated in 1904, the City of Imperial is the oldest city in the county, and it is currently the fast growing city in the Imperial Valley with an estimated population of 19,321 people according to latest population estimated from the State Department of Finance.

The City of Imperial, working through the Local Partnership Program (LPP) and the Local Transportation Authority (LTA), Measure D, provides for a half-cent transportation sales tax. 92% of the funds collected go directly to the cities and County to pay for critical road repair projects, 5% is targeted for regional projects, 2% for transit projects and 1% for administration. These funds make the majority of road repairs possible for local cities and the County.

The project site is at the intersection of Aten Blvd., which runs in an east/west direction, and Clark Road, which runs in a north/south direction.

III. **Scope of Work**

The City of Imperial is soliciting proposals for the purpose of hiring a qualified consultant to design the 2020 Overlay Improvements Project at the intersection of Aten Blvd. & Clark Road. The successful consultant should include a professional team with at least one licensed civil engineer. The project consist of a right turn lane pocket, curb and gutter, upgrading existing traffic signal hardware by installing new pedestrian countdown signal heads, accessible pedestrian signal (APS) push buttons, asphalt road resurfacing plans, and ADA compliant curb ramps and crosswalk striping.

This project must follow the Third Party Contracting Requirements as stipulated in U.S. Department of Transportation Federal Transit Administration; Circular C 4200.1E, Caltrans Local Assistance Procedures Manual, Chapter 10 - Consultant Selection, and Chapter 13 - Right of Way guidelines.

In preparing a response to this Request of Proposal (RFP), the Consultant shall address the following specific components that should be included in the scope of work. The tasks below are intended to provide a guiding framework and are not necessarily intended to be all-inclusive. The final scope of work will be coordinated with City staff and the selected Consultant.

Task I. Background and Information Gathering

The selected consultant will meet with City staff and other stakeholders to develop a full understanding of the project. Necessary filed data will be obtained by the consultant to prepare working drawings.

Task II. Design

The design of the 2020 Overlay Improvements Project at the Aten Blvd. & Clark Road Intersection shall be in accordance with the classification in the Green Book, and Caltrans Standard Specifications and City of Imperial Details. Progress meetings shall occur following the completion of preliminary drawings (15-25%) and at 95% design.

Task III. Bid Documentation

The consultant shall, at a minimum, provide the following documentation:

- One full-size reproducible set of final improvement plans with each page stamped and signed by a licensed professional.
- Three 24x36 copies of the final improvement plans.
- Three unbound copies of project construction specifications
- One hard copy of the final Engineer's Opinion of Probable Construction Cost.
- All of the above shall also be provided in electronic formats (AutoCAD, MS Word, etc.).

Task IV. Hourly Documentation

- Include hourly rates schedule

All construction bid documents shall incorporate local, state and federal regulations.

The consultant may be required to answer questions during the bidding period regarding the plans and specifications. Addenda must be prepared as necessary.

Questions regarding this Request for Proposal maybe directed to Jesus Villegas, Project Manager, City of Imperial Community Development Department, 400 South Imperial Avenue, Suite 101; Imperial, CA 92251 or via email at jvillegas@cityofimperial.org. All

questions should be submitted in writing and all prospective consultants will receive copies of the questions and responses.

VI. Review and Selected Procedure

An evaluation committee will review each proposal. The following evaluation criteria will be used in selecting a consultant:

- a. Experience with similar efforts;
- b. Commitment of Senior Staff to the Project
- c. Relevant qualifications of key personnel;
- d. Familiarity with needs of municipal/governmental entity;
- e. Ability to provide a local presence during the process;
- f. Proposed schedule and ability to meet applicable deadlines; and
- h. Overall Cost.

After reviewing all submissions, the selection team may request to meet with its top candidates. The City of Imperial reserves the right to reject any or all proposals for any reason. Minor irregularities of the proposal may be waived at the discretion of the City.

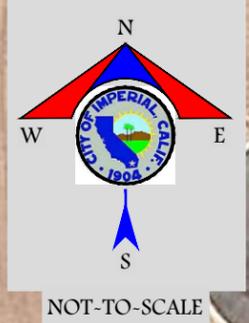

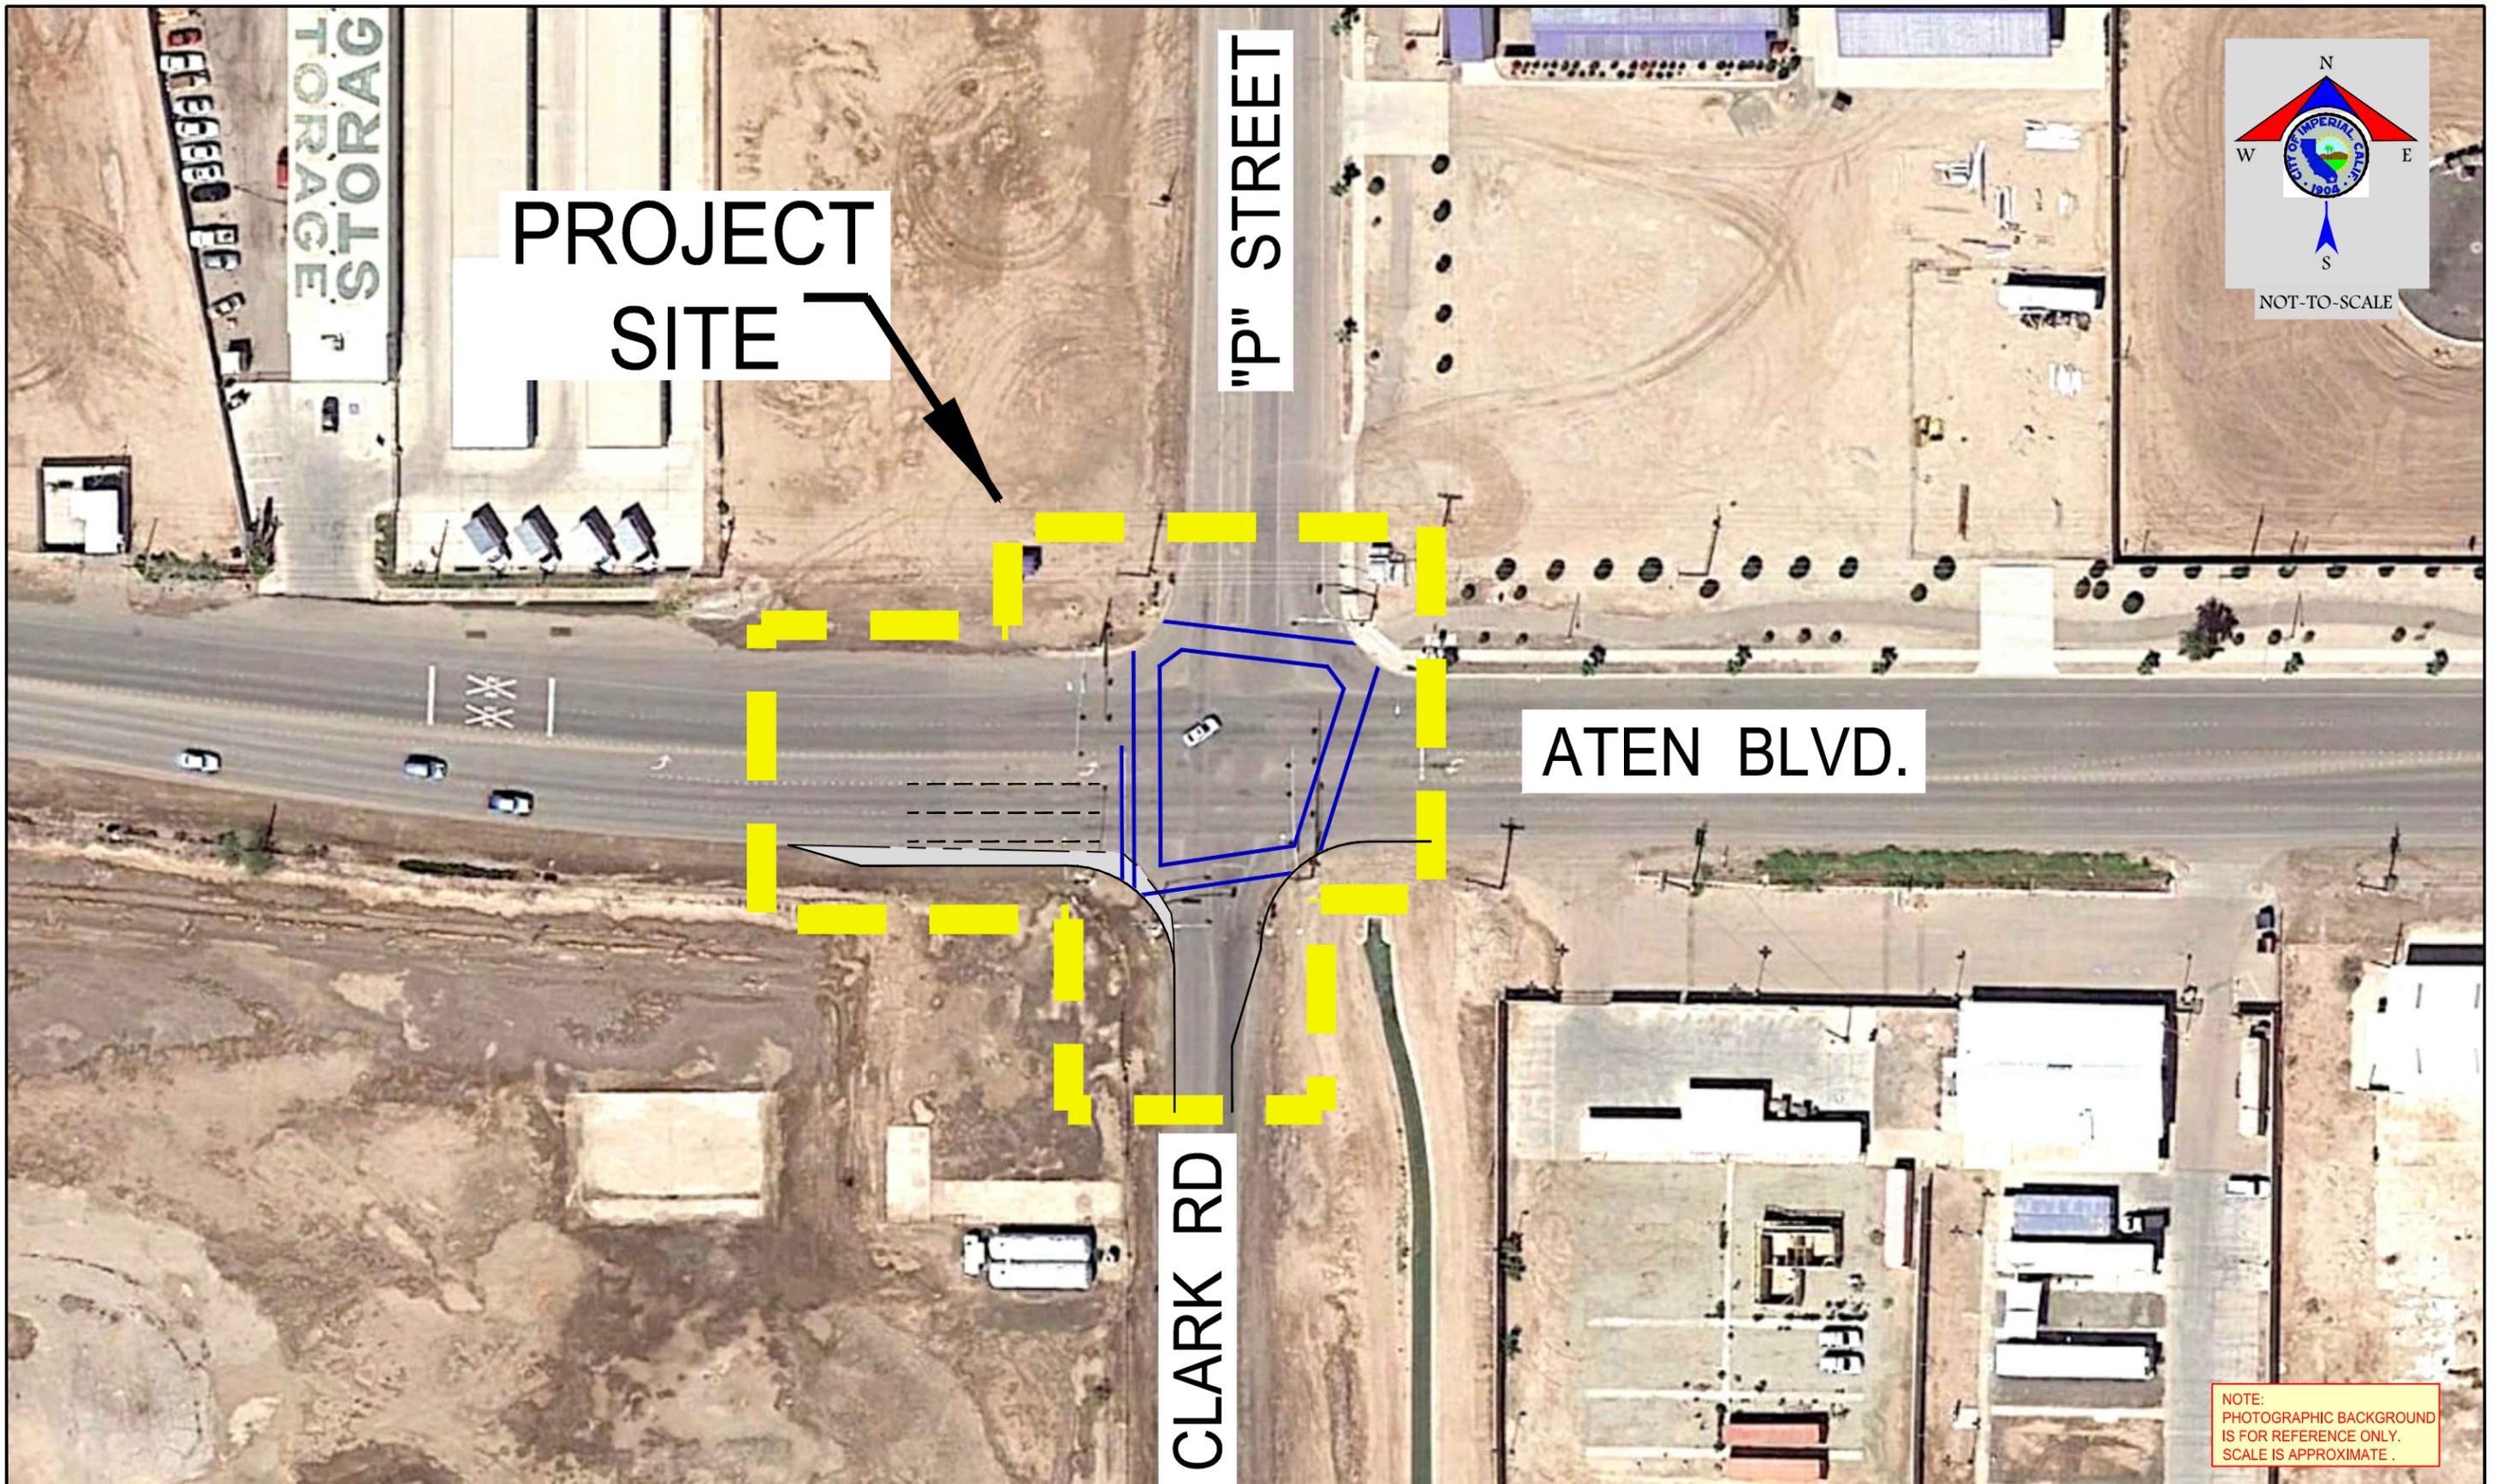

Please note that the ability of the Consultant to complete the overall project within the anticipated completion period will be considered in the selection process. The lowest cost proposal will not necessarily be selected.

This RFP is not intended and should not be construed to commit the City of Imperial to contract with any proposer. All costs incurred in connection with responding to this RFP will be borne by the proposer.

After proposals are opened, all responses and documents submitted in conjunction with this RFP become public documents available for review by the public.
